III. Daily Proceedings

TUESDAY, JUNE 1, 1976

FIRST UNITED METHODIST CHURCH, SHREVEPORT

AFTERNOON SESSION — 1:30 P.M.

The Service of Prayers - Bishop Finis A. Crutchfield, Jr. called the Conference to order and Hymn No. 336, "And Are We Yet Alive?" was sung. This was followed by a Service of Prayers. Bishop Crutchfield read selections from the Psalms and the Gospel of John and offered prayer on behalf of the Conference.

Passage of Character of Ministers - Rev. Angus L. Carruth presented Report No. 1 of the Board of the Ministry, the Report of the Committee on Conference Relations. He reported there were no charges against any of the ministers of the Conference and that they were blameless in their life and official administration. This report was adopted.

Bar of the Conference and Agenda - Rev. Kenneth G. McDowell, chairman of the Cabinet, moved that the lower floor of the First Church, Shreveport and the Physical Education Center at Centenary College be the Bar of the Conference, reserved to the voting members of the Conference, that the printed program be the official agenda of the Conference and that the Bishop be authorized to make such changes as necessary to complete the business. The motion was adopted.

Nomination of Secretary - Rev. Kenneth G. McDowell nominated Rev. L. Ray Branton as Secretary of the Annual Conference. He was elected. Rev. Branton named his assistant secretaries, Kenneth M. Fisher, Freddie Henderson, Kent A. Kilbourne, Jack S. Winegeart, Lael S. Jones, W. O. Lynch, Jr., Charles Humphries and J. C. Bibbons.

Report of the District Superintendents - Rev. Kenneth McDowell presented the composite report of the District Superintendent on the state of the United Methodist Church in Louisiana. He noted the leadership of the Bicentennial Committee as it has assisted the Conference to celebrate the anniversary of our country. He commended the leadership of Bishop Crutchfield. He noted the effectiveness of the Conference program, especially the Priorities on Concern for Persons and Evangelism and the work of the Conference staff in assisting with the implementation of these priorities. The work of the Committee on Disaster Relief and Hunger was commended. Cited as noteworthy events were the beginning of the St. Timothy Church in Mandeville and the United Methodist Foundation of Louisiana, and the completion of the Wesley Foundation at Southern University. Conference morale, said Rev. McDowell, has never been higher.

Committee on Nominations - Rev. Byrl Moreland, secretary, presented the report of the committee and moved the election of those nominated. Rev. George W. C. Calvin moved that at least three ministerial members of former Conference B be named to the United Methodist Foundation's Board of Trustees by the Bishop and the Cabinet. Bishop Crutchfield requested a ruling on the legality of this motion from Mr. W. D. Cotton, Conference chancellor. Mr. Cotton ruled that since the charter of the Foundation calls for a specific number of Trustees, the number could not be increased without amending the Articles of Incorporation. On this basis, he ruled the motion out of order. Rev. Calvin then moved that as vacancies occur on the Board of Trustees of the Louisiana Conference Foundation, consideration be given to members of former Conference B. This motion was seconded and passed. The report of the Nominating Committee was adopted as a whole. See Sections 1 and 2 of the Journal for lists of persons elected to office.

Welcome to Conference Members - Dr. D. L. Dykes, host pastor of First Church, Shreveport, welcomed the Conference to First Church and to Shreveport. He introduced Rev. James W. Moore who also welcomed delegates.

Representative of United Methodist Publishing House - Dr. W. T. Handy Jr., representing the United Methodist Publishing House, announced that a workshop on Adult Curriculum Resources was being sponsored in the Louisiana Conference by the Publishing House in cooperation with the Conference Council on Ministries. He presented a check from the Publishing House to the Louisiana Conference Board of Pensions which Bishop Crutchfield

delivered to Rev. Roy Mouser, chairman of the Conference Board of Pensions. Dr. Handy moved that an expression of love and concern be sent to Bishop Willis G. King, Bishop Aubrey G. Walton, Mrs. Paul E. Martin and Bishop Noah Moore, all formerly of the Louisiana Annual Conference. This motion was adopted unanimously.

Service of Commemoration - The Service of Commemoration was held with the Rev. J. P. McKeithen preaching. The Rev. Tommy A. Dunbar served as liturgist and the Rev. L. Ray Branton, Conference Secretary, read the record of remembrance. (The Honored Dead are listed in Section 8 of the *Journal*.) The Conference was adjourned until the evening session.

EVENING SESSION — PHYSICAL EDUCATION FACILITY CENTENARY COLLEGE

7:30 P.M. JUNE 1, 1976

Opening Worship - The Evening session began with the singing of "O For A Thousand Tongues To Sing." The conference was led in prayer by Rev. J. Henry Bowdon, Jr. Bishop Crutchfield announced that the evening offering and all other offerings received at the conference, except for a small amount needed to defray expenses, would go to the restoration of the Wesley Chapel in London.

High Personal Privilege - Rev. Kenneth G. McDowell read a pastoral letter from Bishop Willis J. King expressing greetings to Bishop Crutchfield, members and friends of the Louisiana Annual Conference, regret that he could not attend the session and his appreciation and continued concern for the work of our church.

Report of the General Conference Delegation - Mrs. Robert Compton introduced the report of the General Conference delegation. She presented the delegates and reserve delegates to the conference. Dr. J. Woodrow Hearn presented a resolution from the delegation as follows:

A Resolution

Whereas, Bishop Finis A. Crutchfield, Jr., became the resident bishop of the Louisiana Area of the United Methodist Church in July, 1972, and

Whereas, his leadership of the Louisiana Area has been outstanding and has resulted in many prominent achievements including this Conference being one of the few Conferences in all Methodism to gain in church membership, establishing a high spirit of morale among the ministers and laity, and other achievements such as the renewed interest in the mission institutions within the Conference, Centenary College and Dillard University, and providing special attention to institutions related to minority ministers, and

Whereas, Bishop Crutchfield has brought recognition to the Louisiana Area by his leadership in the whole church as a distinguished member of General Boards and Agencies of the United Methodist Church, also as the selected representative of the whole Church to lead spiritual retreats for the Chaplains in the Far Eastern Command of the United States Armed Forces, and as a sought after Counselor by many concerning world wide and ecumenical church matters, and

Whereas, Bishop Crutchfield has established a highly favorable relationship between the ministers and laity in the Annual Conference and the Episcopal office by working for unity during very critical times in the merger and by continually taking time to visit local congregations, even those of very small membership, and

Whereas, under Bishop Crutchfield's leadership there are several significant developments projected for the future progress of the Louisiana Area, including the Louisiana Methodist Foundation, and additional advances in evangelism and church extension, and,

Whereas, the Louisiana Annual Conference believes that this beginning of leadership by Bishop Crutchfield would be increased and advanced in the next quadrennium under his guidance.

THEREFORE, BE IT RESOLVED that we express to Bishop Finis A. Crutchfield, Jr., our unanimous desire and hope that he will be returned to the Louisiana Area as our resident Bishop for the quadrennium 1976-1980, and

WE FURTHER RESOLVE, that the Louisiana delegation to the General and Jurisdictional Conferences request the Committee on the Episcopacy of the South Central Jurisdictional Conference to return Bishop Finis A. Crutchfield, Jr., to the Louisiana Area as our resident Bishop for 1976-1980.

The Conference responded to the resolution with a standing ovation. Bishop Crutchfield expressed his appreciation for the resolution, his joy at serving in Louisiana, and his happiness at the prospect of continuing to do so. He indicated there was new legislation passed at General Conference which might affect his assignment, but that he would make no request of the Jurisdictional Committee on Episcopacy to whose appointive power he is subject. The Bishop further stated that he would accept whatever assignment this committee elected to give him.

Dr. W. T. Handy, Jr. reported on the new legislation affecting the ministry which was adopted by the General Conference. Dr. Douglas L. McGuire informed the conference about the financial askings, policies, and priorities adopted for the quadrennium by the General Conference. Dr. Benedict Galloway related the role of the legislative committee on Church and Society which dealt with nearly 15,000 petitions. These petitions were interpreted by the committee and the General Conference as a mandate to keep unchanged the Social Principles Statement of the church. As a result, no substantive changes were made.

Personal Privilege - Mrs. Conner of the Elysian Fields Church thanked the delegates to whom she wrote for considering the petitions she had sent to them.

Report from Delegate to the World Council of Churches - Bishop Crutchfield presented Dr. J. Woodrow Hearn, the first person from the Louisiana Conference ever to serve as a delegate to the World Council of Churches. Dr. Hearn gave a brief description of the portion of Africa he visited and a statement about the World Council meeting. He stated that it is important that a worldwide meeting of Christians is held. He noted that an expected clash between delegates of North America and Europe and those from the Third World did not take place because persons present realized they were tied together by cause and effect. He shared a sense of excitement about the impact the Christian church can have on the world since one out of every four persons in the world is a Christian.

Conference Priority 1977 - Concern for Persons - Mr. Hubert Blanchard, chairman of the Committee on Disaster Relief and Hunger, commended the conference for money contributed in response to disasters in Honduras and Guatemala. He stated that disaster committees are now set up in each district. Rev. Joe Solomon expressed gratitude to the conference for funds given following the tornado in the Kilbourne community where he serves as pastor and told how much this gift had meant to the community. Mrs. Elizabeth McGowan, a member of the General UMCOR, urged support of UMCOR and the One Great Hour of Sharing. Rev. L. Ray Branton reported that Conferences on Caring had been held in each district as another aspect of the priority of Concern for Persons. More than 1,000 persons participated in these conferences, and approximately $\frac{1}{4}$ of churches are now implementing new approaches to ministries designed to show care to persons as a result of this emphasis.

Report of the Rules Committee - Rev. Robert B. Crichlow presented the report of the Rules Committee as follows: We moved to amend Article I, Conferences Boards and Agencies: C. Committees: 5. Conference Committees on Nominations, by adding at the end of the present paragraph the following sentence: The lay representatives shall serve from the time at which they are chosen by their representative designated bodies or person(s). This amendment was adopted.

Rev. James L. Stovall moved to amend Rule 5 as follows: The Nominating Committee shall submit in nomination only the names of those persons who agree to serve in the position to which they are nominated. This amendment was adopted.

Rev. Gene Finnell moved to amend Rule 5 by adding the following sentence: All nominations for Conference Boards and Agencies shall be listed in the Pre-Conference Report. Rev. Byrl Moreland spoke in opposition to this amendment. He pointed out that the Nominating Committee would have to make nominations early in the year in order to comply with this rule. Subsequent transfers of pastors would result in inequities in represen-

tation in those cases where persons are nominated on the basis of one clergy person and one lay person from each district. After several questions this amendment was defeated. The Conference approved the rule, as amended. Rev. Crichlow then moved the adoption of a new Conference rule as follows: Each local church shall have a committee of one or more members on wills, trusts, and special gifts. This rule was adopted.

Rev. Crichlow moved to amend Article VII: Conference Rules, No. 18, by adding the following sentences: Each Board of Directors of Wesley Foundation shall elect a Methodist student member of the Wesley Foundation for each campus minister who received over one-half his salary for the Wesley Foundation. The District Superintendent shall preside at this election.

Dr. William Patrick, chairperson of the Commission on Higher Education, spoke in support of this amendment. He pointed out the Conference is required to have a lay representative to balance the Wesley Foundation Director and that it will be more appropriate to select a Wesley Foundation student to serve in this role, than to continue the present policy of selecting a lay person-at-large from the district. After several questions, this amendment was approved. The report of the Rules Committee was then approved as a whole. (For the text of these rules as amended, see the report of the Rules Committee in Section V of the *Journal*.)

Adjournment - Bishop Crutchfield adjourned the Conference until the morning session.

Harrington as executive director and announced the new director of this ecumenical organization would be the Rev. James L. Stovall. Stovall who responded with a statement in which he emphasized the Christian unity which L.I.C. symbolizes and asked for the cooperation of the Conference for this work. AFTERNOON SESSION

WEDNESDAY, JUNE 2, 1976 — 2:00 P.M.

Opening Prayer — The afternoon session was opened with prayer offered by Rev. Max Butler.

Continued Report of the Board of Global Ministries — Dr. John Bayliss, chairman, presented Rev. James L. Adams, who spoke to the report of the Retired Ministers' Homes Board and Rev. Alfred Pollar, who discussed the report of the Lafon Home. These reports were approved as presented.

Dr. Bayliss then introduced Mrs. Hugh T. Ward and Mr. Shelby Smith, both of Shreveport, who presented the report of the Study Committee on Retirement Housing and Health Care. This report carried with it the permission of the Annual Conference to this group to incorporate as a non-profit corporation. Informational questions were asked by Bishop Finis Crutchfield, Rev. Chris Andrews, Rev. Brady Foreman, Rev. George W. C. Calvin, Dr. Bill Patrick, Rev. Janes Hodges, and Rev. N. P. Williams. The questions asked and the answers given by Mrs. Ward and Mr. Smith established that the organization would be owned by a non-profit corporation but related to the United Methodist Church. No financial responsibility would be assigned to the Louisiana Annual Conference as a result of this action, but it would hope for and request voluntary contributions. The Articles of Incorporation of this body, when written, would be submitted to Conference officials as designated in the resolution. These officials would have authority to reject permission to proceed to incorporate if the terms of incorporation were unsatisfactory. Primary interest in this project at the present time is among United Methodists, primarily those located in the North-western part of the state. Any campaign for funds involving the District Superintendents and Bishop would have to be submitted for the consideration of the Council on Finance and Administration and approved by the Annual Conference. Part of this facility, perhaps 10 percent, would be reserved for the use of retired ministers and their wives. The current project is intended to begin an institution in Shreveport only, but when this institution is in full operation, it would hope to serve as a consultant to others interested in beginning a similar institution.

Rev. James Adams, Dr. Carl Lueg and others spoke in support of the resolution. Rev. John Johns moved the previous question. The previous question was ordered, the resolution was then considered and adopted by sections. The report of the Study Committee was then adopted as a whole.

Dean introduced the following persons who spoke to the reports of their institutions: Miss Juanita Ivie, Sager-Brown School; Rev. W. Spiller Milton, Dulac Community Center; Rev. William R. London, Jr., Peoples' Community Center. Rev. London moved the approval of the Board of Directors of Peoples' Community Center as presented to the Conference. This motion was adopted.

Gourrier, Chairman of the Board of St. Mark's, who spoke to the report of the Center. The report of the Board continued as Rev. Dean introduced the following institutional representatives, who spoke to the reports of the bodies they represent: Rev. James A. Graham for the Shreveport Metropolitan Ministries, Rev. William R. London, Jr. for the New Orleans Metropolitan Ministries, Rev. Lawson Lee for the Spanish-American Ministries in New Orleans, and Rev. Ken McIntosh, of the Board of Global Ministries staff, who is Jurisdictional Representative of the Advance.

On a motion by Dr. John Bayliss, the Conference approved the Trustees of all institutions related to the Board of Global Ministries as nominated to the Annual Conference by those institutions. The names of these persons are found in Section II of the *Journal*. Dr. Bayliss then moved the adoption of the report of the Global Ministries in its entirety. The report was approved.

Additional Nominations to the Board of the Ministry — Bishop Finis Crutchfield presented five additional names in nomination for membership on the Conference Board of the Ministry: D. L. Dykes, Lael S. Jones, Robert I. Galatas, J. Woodrow Hearn, and W. O. Lynch, Jr. Dr. Alfred Norris moved to suspend the rules so that these five persons could be elected immediately. The Conference voted to suspend the rules and all of these persons were elected.

Report of the Louisiana Methodist — Rev. Odell Simmons, Commissioner of the Louisiana Methodist, presented the report. He noted there are now 13,485 subscriptions to the Louisiana Methodist, an increase of more than 600 over last year. The printed report was adopted by the Conference. Bishop Crutchfield then presented Rev. Clyde Chesnutt, an editor of the United Methodist Reporter. Rev. Chesnutt stated that the United Methodist Reporter now serves 32 Annual Conferences and is growing in circulation at a time when most religious journals are declining. He encouraged persons to write and express their opinions to the paper.

Report of the Board of the Laity and 1000 Club — Mr. Tom Matheny, Conference Lay Leader, presented the report which was adopted. Mr. Matheny then placed in nomination the names of persons for conference lay leader, district lay leaders, and other officers of the Board of Laity. All of those persons nominated were elected by the Conference. Their names will appear in Section II of the *Journal*.

Personal Privilege — Mrs. Mary Ann Burns requested that name tags be utilized henceforth at Conference sessions.

Report of the Commission on Higher Education — Dr. Bill Patrick, Chairman, presented

the report. The report was received and adopted by the Conference with the exception of recommendation No. 1, which called for an increase in the per member district asking for campus ministry programming from \$1.50 per member per year to \$2.00 per member per year. This recommendation was in conflict with the recommendation of the Council on Finance and Administration. Dr. Patrick agreed to postpone consideration of this recommendation until the time for the report of the Council on Finance and Administration.

Report of the Commission on Archives and History — The report was given by Rev. James E. Christie, Chairman. The printed report was adopted by the Conference. Rev. Christie introduced Rev. Spiller Milton, who announced that the Richmond Nolley Grave site has been designated United Methodist Historical Shrine No. 42. He informed the Conference there would be a special service in Jena to celebrate this selection. All interested persons are invited to attend. Rev. Christie presented a resolution from the commission as an amendment to the printed report. This resolution called for the endorsement of a proposal for the publication of a new history of Louisiana Methodism, without any financial obligation upon the Annual Conference. This resolution was adopted.

Benediction — The benediction was offered by Rev. Clyde Chesnutt and the afternoon session was adjourned.

EVENING SESSION

WEDNESDAY, JUNE 2, 1976 — 7:30 P.M.

A Bicentennial Celebration and Fiesta was held under the leadership of the Conference Bicentennial Committee. Dr. G. Leon Netterville was chairperson of this Committee, and Mrs. Jimmie P. Owen, Sr. was Associate chairperson. The first part of the program was a celebration of Louisiana Methodism. It began with a trilogy of hymns, "Steal Away to Jesus," "Let Us Break Bread Together," and "This Little Light of Mine." The opening prayer was offered in Spanish by The Rev. Lawson G. Lee. There was a dialogue on the United Methodist experience in America between the Rev. Freddie Henderson and Dr. L. L. Haynes, Jr., which was blended with music by the choir of Wesley United Methodist Church of Baton Rouge, Mrs. Edna Breaux, director. The second portion of the celebration, Celebrating Our Life in God, was led by Rev. John M. Winn, Jr. The Conference sang, "God of Love and God of Power." There was a unison reading of a Declaration of Freedom which was a blending of Galatians 5 and the Declaration of Independence. A confessional proclamation was delivered by Rev. Winn, followed by the singing of "America" and a spontaneous litany of truth and hope.

The Third section, Celebrating Our Life in Christ, featured the chapel choir of the University United Methodist Church of Baton Rouge under the direction of Mrs. Esther Socolofsky. This 90 voice choir offered a series of musical settings for themes from the four gospels depicting the birth, life, death and resurrection of Jesus Christ.

At the conclusion of the bicentennial celebration, Bishop Finis Crutchfield presented Louisiana Conference bicentennial medallions which had been specially cast in silver as keepsakes to Dr. G. Leon Netterville and Mrs. J. P. Owen in appreciation for their leadership of the Bicentennial Celebration.

The evening session was adjourned with a benediction.

THIRD DAY

THURSDAY, JUNE 3, 1976 — 8:30 A.M.

Morning Prayer — The Conference began the morning session by singing "All Hail the Power of Jesus' Name." Rev. Daniel W. Tohline led the Conference in prayer.

Report of the Committee on Journal — Rev. J. C. Bibbons reported that the Committee on Journal had examined the record of daily proceedings and found it in order. This report was approved. Rev. Bibbons further reported he had examined the District Conference records and found them substantially correct. The District Superintendents were commended for the effective job they had done in keeping the district records. He moved the acceptance of this report. It was approved by the Conference.

Additional Persons to serve on Conference Boards — Miss J. Vernita Booker was elected

to serve as a member of the Conference Board of Global Ministries, ex officio. Rev. Lamar Smith called the attention of the Conference to the ex officio membership of Dr. William H. Patrick on the Conference Commission on Higher Education. Dr. Patrick is a member of the General Board of Higher Education and Ministry. Rev. James Caraway noted that Mr. Shelby Smith is an ex officio member of the Conference Council on Finance and Administration due to his membership on the Jurisdictional CFA. All of these informational reports were received and approved by common consent.

Report of the Conference Board of Trustees — Dr. B. A. Galloway, President, and Mr. W. D. Cotton, Secretary presented the report. Prior to reading Report No. 1, Dr. Galloway congratulated the District Superintendents for their care of church property and stated that this is the first Conference in several years in which there was no report of an abandonment of church property. Dr. Galloway then read Report No. 1 and moved its adoption. It was approved. Mr. Cotton read Report No. 2. He moved its adoption. It also was approved by the Conference. The entire report was then adopted.

Personal Privilege — Dr. B. A. Galloway commended Mr. W. D. Cotton for his work on behalf of the Conference, which has been done without charge, and has been very time consuming. He moved that the Bishop choose a way to express appreciation to Mr. Cotton for this service. The Conference approved this motion with a standing ovation.

The Episcopal Residence — Bishop Crutchfield reported Louisiana is one of seven episcopal areas owning an episcopal residence. In the other areas, the Bishop buys his own home with the housing allowance furnished him by the General Church and gains equity in the house. Bishop Crutchfield happily pays \$400 per month on the home which the Conference owns and does not expect to build up any personal equity in the house. The debt on the episcopal resident has now been reduced to about \$30,000.

Report of the Council on Finance and Administration — Rev. James J. Caraway, chairman, introduced Rev. J. Henry Bowdon, Jr. who made the following motion: Due to the action of the General Conference, CFA moves a substitution as printed and distributed for the entire section, Decimal Items, in Report No. 3, calling for an increase of \$126,000 over the original proposal in the Pre-Conference Report. This substitute was explained and was adopted by the Conference. Rev. Bowdon moved to substitute World Service and Conference Benevolence percentages as printed and distributed to the Conference for percentage figures in the Pre-Conference Report and to further amend the report by adding a paragraph recommending that income from the sale of property by the Methodist Corporation in Washington, D. C. be applied to remaining indebtedness of the Episcopal Residence. This motion was adopted by the Conference. Rev. Caraway amended Report No. 2 by striking out the word "an" in the first sentence of that report and adding the words "a minimum" to that sentence so that it read, We recommend that a minimum of a \$1.50 per member be paid by each local church for the support of the Campus Ministry Program. Dr. William Patrick moved to amend the first sentence of Report No. 2 by substituting \$2.00 per member for \$1.50 per member for campus ministry. Dr. Patrick explained that about half the districts are now giving \$2.00 per member. This legislation would not be mandatory but would give the Commission on Higher Education the right to request this level of support. Mr. Eloi Primeaux spoke in favor of the amendment. "We shall either, he said, have to cut program or ask for more money." The previous question was ordered and chairman Caraway was given the privilege of a concluding statement. He noted apportionments have increased \$300,000 in the new quadrennium and that the Commission on Higher Education had already been granted a \$2,000 increase in the Conference Benevolence budget. He explained that some campus ministry programs found the \$1.50 adequate. The amendment was then defeated by the Conference.

Rev. Caraway expressed appreciation to the officers of the CFA and to the Bishop for his leadership. The report as a whole was then adopted.

Recommendation — Rev. Wallace Blackwood recommended that special days for 1977 be added to those for 1976 in Report No. 2 for the Council on Finance and Administration.

Personal Privilege — Rev. Sherman Beird expressed appreciation for the priority given to World Service in the Louisiana Conference budget.

Question — Rev. Brady Forman asked how the detailed financial reports which have been eliminated from the *Journal* will be available henceforth for inspection. Rev. Caraway replied that these were in the office of the conference treasurer and available upon request to any interested person.

Report of the Conference Treasurer and Statistician — Dr. R. Leonard Cooke presented the report and commented on highlights. These included an increase of 1605 members in 1975 and offerings over \$71,000 total for the disasters in Guatemala and Kilbourne, La. He noted that \$20,000 had been received for the United Methodist Foundation. Rev. Lamar Smith suggested to the treasurer that the statistics henceforth be printed in the pre-conference reports. The report of the statistician and treasurer was then adopted by the conference.

Report of United Methodist Foundation — The report was presented by Dr. Clyde S. Clark, executive director of the foundation. The report was adopted as presented. Bishop Crutchfield responded to the report by urging support for the Foundation. Rev. Bill Fraser presented Mrs. Ruth Cadawalder, the first donor to the United Methodist Foundation, who addressed the conference in support of the foundation.

Report of the Board of Ministry — Dr. W. T. Handy, Jr., chairman, Rev. Tracy Arnold, registrar, and Rev. Angus L. Carruth, chairman of the Committee on Conference Relations, presented a portion of the report of the Board of Ministry as follows:

Reception of Class in Full Connection: Dr. W. T. Handy presented Rev. Tracy R. He moved that the superannuate relationship be continued for all presently in that relation. This motion was adopted. Rev. Carruth presented the committee's report on Questions 45 and 46, dealing with persons seeking the superannuate relation. The report was adopted by separate vote on each person. The superannuate relationship was granted to all those who had requested it. All superannuating pastors present were given certificates of recognition for their five years of service. Names of these persons are recorded under Questions 45 and 46 in Section IV of the *Journal*.

Rev. Carruth then presented business in response to questions 21, 35a, 39a, 41, 42, 43a, 44b, and 44c. The conference gave unanimous approval to all the recommendations. The report of the Committee on Conference Relations was then adopted as a whole.

Task Force on Ethnic Minority Ministers — Rev. George W. C. Calvin moved that the Board of Ministry establish a task force to study ways to get more ethnic minority ministers into the Louisiana conference. This motion was approved by the conference.

Bishop Crutchfield asked Dr. W. T. Handy, Jr. to pronounce the benediction and the conference was adjourned until the afternoon session.

AFTERNOON SESSION

THURSDAY, JUNE 3, 1976 — 2:30 P.M.

Opening Prayer — The session was opened with prayer offered by Rev. Larry Maddin.

Continued Report of the Board of Ministry — Dr. W. T. Handy introduced Rev. George Sherman, chairman of the Committee on Associate Members and Lay Pastors. The report was presented and adopted by separate vote on each category. The report was then adopted as a whole. (The names of all persons approved in this report may be found in Section IV of the *Journal*.)

Rev. George W. C. Calvin raised a question about the status of Rev. Burnell Bell. After

discussion, Bishop Crutchfield requested that Rev. Calvin refer his questions to the Board of Ministry. Rev. George Sherman stated he was ending eight years of work with the Board of Ministry and expressed appreciation for the privilege of serving.

Committee on Ministerial Training and Orders — Rev. Tracy R. Arnold presented the report, which dealt with probationary membership, deacon's and elder's orders. Each person recommended for election to probationary membership was elected individually and presented in person to the Conference. Probationary members to be advanced or continued through the years were approved. Persons recommended for deacon's and elder's orders were elected as presented by the Committee. Names of persons recommended for discontinuation as probationary members were read to the Conference and discontinuation was granted. The report of the Committee on Ministerial Training and Orders was adopted as a whole.

Rev. Robert L. Potter reported that Conference action of a year ago instituting psychological testing for all those seeking ordination had been fully implemented. All candidates received at this session of the Conference had been tested and favorable reports had been received from many of the candidates about this procedure. This practice will be continued by the Board of the Ministry.

Dr. W. T. Handy moved the adoption of the report of the Board of the Ministry as a whole. It was approved by the Conference.

Dr. Handy brought greetings from Dr. Ralph M. Davis, now 100 years old, who is the oldest living member of the Louisiana Conference. He recognized officers of the Board of Ministry whose term of office had come to an end and expressed appreciation for their service to the Board and the Conference.

Transfers In — Bishop Crutchfield presented ministers being received into the Conference by transfer. The Conference welcomed them with applause. The names of these persons are listed in Section VI, Appointments.

Representative of Scarritt College — Rev. Robert C. Gentry, Vice-president of Scarritt College, spoke about the role of Scarritt in training persons for ministries represented by the new Board of Diaconal Ministry. Enrollment is at a record peak at Scarritt, whose graduates are at work all over the world.

Personal Privilege — Bishop Crutchfield presented Rev. Mr. Pendraza, former director of Lydia Patterson Institution, who came representing the Bishop of Mexico to express appreciation for the gift of United Methodist Hymnals in the Spanish language which had been made possible through the efforts of Mr. Hubert Blanchard.

Benediction — Rev. A. D. St. Amant pronounced the benediction and the afternoon session was adjourned.

Executive Session of the Conference — Following the adjournment of the regular afternoon session, Bishop Crutchfield called a special executive session of the Conference which was attended by the ministers present at the Conference session. The Bishop discussed ministerial ethics and practice with the ministers and exhorted them to be faithful to the highest ethical standards of the ministerial profession and the Christian faith.

EVENING SESSION

THURSDAY, JUNE 3, 1976 — 7:30 P.M.

FIRST CHURCH, SHREVEPORT

Service of Ordination — The Service of Ordination of Deacons and Elders was held in First Church, Shreveport. Special music was provided by Mr. Mike Mooney of First Church and there was a presentation related to the Church Careers Program at Centenary College immediately prior to the service. The service of worship was led by Bishop Crutchfield and the ordination sermon was preached by Dr. J. Chess Lovern, pastor of the Boston Avenue Church in Tulsa, Oklahoma. Deacons and elders were ordained by the Bishop, as previously ordered by the Conference.

FOURTH DAY

FRIDAY, JUNE 4, 1976 — 8:30 A.M.

Morning Prayer — The Conference began with a hymn, "A Mighty Fortress Is Our God," and prayer led by Rev. Louis Blankenbaker. The choir of the St. Paul's Church in Jeanerette, of which the Rev. Robert Norwood is pastor, contributed to this time of worship by singing several hymns.

Lafon Home Building Program — Bishop Crutchfield introduced Mr. John Owensby, a member of the Aurora Church in New Orleans and chairman of the building program for Lafon Home. Mr. Owensby explained the need for the new facility, which is to cost approximately 2.5 million dollars. A \$400,000 grant has already been received from Kendall Fund. A finance committee has been organized to raise additional money and arrangements have been made to borrow funds from financial institutions in New Orleans. Additional property has been acquired for the Home from the Presbyterian Church, which owned adjacent property. Mr. Owensby expressed appreciation to those who had helped with this project and urged support for the building program.

Report of the Board of Pensions — Rev. Roy Mouser, chairman, Rev. John Koelemay and Rev. Stone Caraway presented the report. Sections A through D were presented as printed in the Pre-Conference Report, with the exception of Section D, Parts 1 and 2. An amendment which the Board wished to make in its report was distributed. The amendment dealt with changes in the amounts charged for the hospital, medical expense and death benefit program. After discussion, the amendment was adopted as presented. Rev. Mouser then presented Section E, Other Matters, for Conference action. These included the correction of annuity years, annuity credit for full-time lay pastors, disability leave benefits, pensions benefits for adult dependents of surviving spouses, and meals at Annual Conference for ministers on disability leave and/or their spouses, and for retired ministers and/or their spouses. The names of persons granted these credits and benefits may be found in the report of the Board of Pensions, Section VI of the Journal.

Chairman Mouser then presented an addendum to the Report of the Board of Pensions. The addendum was in three parts. Part A called attention to disciplinary requirements that a minister who is substantially employed in work other than that to which he/she has been appointed by the church loses eligibility for annuity credit. Part B requested the Conference to rescind its 1974 action directing the Conference Board of Pensions to transfer its securities to the General Board of Pensions at the discretion of the Conference Board. Part C requested financial priority for the 1976-80 quadrennium be given to raising capital funds for the Conference Board of Pensions. When questions and discussion revealed that Part B of these recommendations was in possible conflict with Conference rules, Rev. Mouser elected to delete Section B of the addendum. Sections A and C were approved by the Conference.

Mrs. George Cooper, Bossier City, moved to amend the report of the Board of Pensions as follows: Change the annuity rate from \$90 per service year to \$100 per service year. Mrs. Cooper then spoke to her amendment. She deplored the small pension being paid retired ministers and urged support for the proposed increase. After statements by Rev. Chris Andrews, Rev. James Adams and Rev. Mouser, Rev. Ed Thomas asked whether this amendment should be considered by the Council on Finance and Administration. Bishop Crutchfield then ruled that the Conference rules required referral to the CFA. He requested the CFA and the Board of Pensions to consult and report to the Conference prior to adjournment. The report of the Board of Pensions was then adopted as a whole, except for the amendment which had been referred for consultation.

Chairman Mouser expressed appreciation to the officers of the Board of Pensions. He introduced Rev. Stone Caraway, the new chairman, who announced the new secretary was Rev. Roy Mouser.

Personal Privilege — Rev. Mouser presented a large bottle of Tabasco sauce, a product of New Iberia, to Bishop Crutchfield.

Report of the Ministers Emergency Aid Fund — Rev. Byrl J. Moreland moved the report be adopted as printed in the Pre-Conference Report. It was adopted.

Report of the Commission on Equitable Salaries — Rev. Ed Pickens, chairman, presented

the report. He pledged the Commission would work for an increase in the equitable salary in the coming year. He moved the adoption of the report as printed in the Pre-Conference Report with editorial corrections as noted. It was approved.

Report of Centenary College and Dillard University — Dr. Samuel D. Cook, President of Dillard University, expressed appreciation to Bishop Crutchfield and the Conference on behalf of the Black College Fund and Dillard University. He stated 85% of Dillard's students are on financial aid. This is one reason why the Black College Fund is so important. Dr. Cook announced that HEW had made a two and a half million dollar grant to Dillard. This report was received with applause.

Dr. John Allen, President of Centenary College, noted increased enrollment at Centenary and growth in the Church Careers program. He called attention to the opening of the Meadows Museum of Art. The reports of Centenary College and Dillard University, as printed in the Pre-Conference Reports were adopted by the Conference.

Dr. Allen placed in nomination the names of persons to be elected as Trustees of Centenary College with terms to expire in 1979. They were elected as presented.

Report of the Committee on the Lay Worker — Rev. Webb D. Pomeroy moved adoption of the report as printed in the Pre-Conference Reports. It was adopted.

Report of the Committee on Journal — Rev. J. C. Bibbons reported the record had been examined and found to be correct. He moved the proceedings of Thursday night and Friday be edited and placed in the Journal by the editor. His report was accepted and his recommendation adopted.

Report of the Board of Church and Society — The report was presented by chairman, James L. Stovall. Rev. Stovall made one amendment to the report as it had appeared in the Pre-Conference Report: In Section II, amend the sentence which reads, "We further recommend that a state seminar on bio-medical ethics be held in 1977, by adding "a broad based interdisciplinary panel made up of prominent persons from the disciplines of medicine, law, and religion be assembled to deal with the human, social and Christian aspects of the issue." Rev. Henry Blount then moved to amend paragraph 6 by adding the following sentence, "We recommend also that we consult with the chairperson of the Louisiana Association of Mental Health, Mr. Dudley Flanders, to determine the exact needs of mental health services in Louisiana." This amendment was adopted.

Rev. Cleburne Quaid moved to amend the report by adding a paragraph No. 15, as follows: "We recommend that the Louisiana Annual Conference go on record as opposing House bill 1411 in the state legislature which would legalize gambling in Orleans and Jefferson parishes. We further recommend opposition to Bill 1412 which would give all parishes legalized gambling through local option. We encourage each delegate to write his representative and senator to this effect and that each pastor present it to his respective local church or charge." This amendment was adopted.

Rev. Clyde Frazier moved to amend Section III as follows: After the words "we recommend that," insert the words "the Louisiana Interchurch Conference consider holding." On the same line, after the word "conference," delete the words "be held." Delete the last sentence of Section III so that Section III would read, "We recommend that the Louisiana Interchurch Conference consider holding a state conference in the near future on the question of the quality of commercial television. We are disturbed at the great increase of violence and degrading material on television and the harmful effects that it has upon the development of our national concepts of right and wrong." After discussion, Rev. Stovall moved to amend the amendment as follows: Let paragraph 3 begin with the words "the United Methodist Conference offers its support to the Louisiana Interchurch Conference for a state conference in the near future on the question on the quality of commercial television." The amendment, as thus perfected, was adopted by the Conference.

Mr. Burns moved an amendment to paragraph 5, as follows: After the words "we recognize the rights of labor and management to organize," add the phrase, "or not to organize as they may choose."

Rev. George W. C. Calvin moved to amend paragraph 11 by adding this sentence: "we

believe that public school teachers should not be judged incompetent because of racial design and that institutions such as Dillard, Grambling and Southern Universities represent institutions of quality education in Louisiana." Rev. Stovall expressed willingness to accept this amendment into the body of the report and the amendment was approved by the Conference.

The report of the Board of Church and Society was concluded with a unison prayer led by Rev. Stovall. The report, as amended, was then adopted as a whole by the Conference.

Rev. Stovall expressed appreciation for the opportunity to serve as chairman and presented the Rev. James A. Graham, new chairman of the Board of Church and Society.

Report of CFA — Pensions Consultation — Rev. J. J. Caraway reported that the Council on Finance and Administration and Board of Pensions had been in consultation. He thanked Mrs. Cooper for the amendment she had proposed to the report of the Board of Pensions. Rev. Caraway then moved reconsideration of the amount which had been previously adopted for pensions in the report of the Council on Finance and Administration. The Conference adopted this motion for reconsideration. Rev. Caraway then moved that the amount for the Board of Pensions in Report No. 3 of the Council on Finance and Administration, Decimal Items, be changed from \$650,000 to \$700,000 and that the total for Decimal Items be changed to \$2,329,200. Rev. Caraway recommended that the Board of Pensions be remembered in gifts and wills through the United Methodist Foundation. After discussion and questions, this amendment to the report of the Council on Finance and Administration was adopted.

Rev. Roy Mouser then moved to amend item A "2" of the report of the Board of Pensions by substituting \$700,000 for \$650,000. He further moved that a paragraph to be numbered 3 be inserted in Section A, which would read as follows: "The annuity rate shall continue at \$90 per service year; however there shall be distributed to the present annuitants, by the Conference treasurer, an additional \$10 per service year beginning January 1, 1977." These amendments were adopted by the Conference.

Report of the Committee on Resolutions — Rev. George Ross, chairman, presented two resolutions on which the Committee had voted concurrence. Resolution No. 1, which called for endorsement by the Annual Conference of right to work legislation in the state of Louisiana, was adopted by the Conference after brief debate. Resolution No. 2, which dealt with child care during the sessions of the Annual Conference, was presented for discussion and action by Rev. Ross. Questions were raised about the source for money to underwrite this service. Rev. John Winn suggested a free will offering be taken. After several other suggestions, Bishop Crutchfield ruled that since the resolution called for the appropriation of funds, Conference rules required that it be reviewed by the Council on Finance and Administration before being acted upon by the Conference. Rev. Warren Blakeman moved to refer the resolution to the Committee on Courtesies and ask it to work out a way to achieve the purpose of the resolution. Rev. Dudley Snow moved to amend Rev. Blakeman's motion by inserting the words "a minimal" in the last sentence of the resolution so that it would read, "A minimal charge to those delegates using such service." Rev. Blakeman accepted this amendment to his motion. There was further discussion by Rev. George Sherman, Rev. Jimmie Pyles and Dr. Carl Lueg. Rev. Gene Finnell pointed out that space availability might be a problem for Centenary College. The question was called and the Conference voted to adopt the motion for referral to the Committee on Courtesies. The report of the Committee on Resolutions was then adopted as a whole.

Where will the next Conference be held? — Centenary College extended an invitation to the Conference to meet at Centenary in 1977. The invitation was accepted with appreciation.

Personal Privilege — Rev. J. T. Garrett, who is celebrating his 90th birthday this year, was presented to the Conference. Note was made that Rev. Garrett will be serving a church as a retired supply pastor in the coming Conference year.

World Methodist Council — Bishop Crutchfield asked persons who planned to attend the World Methodist Conference to stand. He announced that Rev. Clyde Frazier and Rev. Harvey Williamson had been named members of the World Methodist Council and he presented them to the Conference. The Bishop also presented Mr. Tom Matheny, who was elected president of the Judicial Council of the United Methodist Church at the recent General

Conference. The Bishop thanked the Trinity United Methodist Church in Ruston and Mrs. Terrel Deville for the banners which had been displayed at the platform during the sessions of the conference.

Report of the Committee on Courtesies — The report was presented by Rev. H. Warren Blakeman, chairman. It was adopted as presented.

Council On Ministries

1. The Membership of the Council

The Conference Council on Ministries, which meets about three times each year, is composed of the bishop, who is chairman, the district superintendents, almost all chairpersons and certain other elected leaders of conference boards and agencies, lay representatives from each district, members of general boards of the church who live in La., youth and young adult representatives, and all conference level staff persons (area provost, conference treasurer, council on ministries staff). Names of council members are printed in the *Journal*.

2. The Work of the Council

To the Council on Ministries is given general oversight of the program of the Annual Conference, whose details are to be found in the reports of the program boards. The Council supervises the planning process of the Annual Conference. It receives program recommendations from all sources (bishop, cabinet, local churches, district councils, conference boards, individuals, the general church, etc.), and it makes decisions about support for these recommendations and the financial support they require. The Council on Finance and Administration receives these financial recommendations and acts upon them. The Council develops programming priority recommendations, and, with Conference approval, pursues specific goals to implement these priorities. The Council gives to the Conference a means for providing a unified and coordinated conference program.

3. Conference Council Staff

Rev. L. Ray Branton is Council Director. Mrs. Inez W. Chrisentery is Associate Director. Mrs. Mamie Huffman and Miss Bobbie Washington perform in-office services in the Shreveport office, and are equipped to answer most inquiries for information and assistance from churches and individuals in the area of program. Rev. Branton and Mrs. Chrisentery are available, upon request, to work with any local church to provide training in any area of need. There is no charge for this service, because it is already supported by the churches through the Conference Administration Fund. Almost 90 churches requested and received these services this year.

A major addition to staff responsibility this year has been to assist annual long-range planning sessions with the District Councils on Ministries. In each district, there is now a two-year program in effect, as chosen by the District Council, based on Conference priorities and program, and the needs of that particular district. The major focus of each district program is the resourcing of the local churches in that district.

Especially noteworthy this year has been the outstanding work of Mrs. Chrisentery in training church school workers, working with small membership churches, assisting in missions training, serving the Conference Board of Global Ministries, the Commission on Religion and Race, and other conference bodies, and aiding in many other ways to facilitate the Conference program.

Among the services performed out of the Shreveport office, **Target** and the **Conference AV Library** have been especially well received. **Target** is mailed about nine times a year to specific leaders in the local churches, to provide a thumbnail sketch of the basic responsibilities of those leaders. Numerous requests for reprints of these issues indicates wide acceptance. Especially well received this year have been the issue on world hunger, and the issue on the Pastor-Parish Relations Committee. The staff expresses appreciation to those persons who served as guest editors of several of the editions this year. Any church, upon request, will be sent enough copies of **Target** for distribution to its entire Council on Ministries. Mrs. Mamie Huffman has primary responsibility for the production and distribution of **Target**.

The AV Library continues to grow at an astonishing rate. Usage has increased 50% over one year ago, and that is on top of a 25% increase reported at Conference last year. Under the supervision of Miss Bobbie Washington, AV has produced a beautiful and functional new catalog which is kept continually up to date through supplementary sheets inserted in the ring binder. The purchase of high quality items of all sorts continues, with an emphasis on filmstrips, tapes and movies of direct interest to local churches. A catalog is available free of charge to every church. The nominal subscription for membership in AV is used to purchase additional AV items, rather than to defray overhead expense. AV anticipates it will have 100 member churches by fall of this year, more than double the number of member churches in its first year of operation as a subscription service.

To assist implementation of the Conference Priority on Concern for Persons, the Director, in cooperation with the District Superintendents and the District Councils, led a Conference on Caring in each district. More than 1000 persons, representing about one-third of the churches of the Conference, attended these sessions aimed at providing new resources for organizing caring ministries in the local churches. It is believed that a substantial number of participating churches are now taking new initiatives in this area.

4. Conference Planning Process

The Conference planning process was further perfected this year, with the utilization of a computerized study of opinion in the conference as to program priorities. Many learnings were gleaned from this study, and the Council on Ministries relied heavily upon this data in making its decisions about priority recommendations. Especially to be commended is the Committee on Research and Planning of the Conference Council, of which Dr. J. Woodrow Hearn has been chairman. This group has held numerous meetings to work out details relating to Conference Priority proposals, for the consideration of the Council on Ministries. Priority recommendations of the Council on Ministries are due, in part, to the work of this body.

5. Conference Priority Recommendations

A. The Council on Ministries recommends that the Quadrennial Program Priority of the Louisiana Annual Conference be Personal Commitment to Jesus Christ, with special attention given to this concern in 1977.

The Council recommends implementation of this priority should include district-level training in the skills which enable leadership for growth in commitment, especially the leadership of small groups such as Bible study, prayer and sharing groups. This training should be offered in February, through the staff of the Conference Council. The Council also recommends that retreats in the classical retreat style be held for the purpose of deepening personal commitment. It recommends that two workshops be held on reclaiming inactive members, utilizing the skills and learnings of Dr. John S. Savage, who has done research in this area which has yielded unusual success. The Annual Conference session and the Pastors' School could also be based on this theme, if desired.

B. The Council recommends that the priority for 1978 be The Renewal of the Church School, with programming activities designed to assist the development of knowledge and skills in this area.

C. The Council recommends that the priority for 1979 be Christian Outreach. This priority would be aimed at the connectional nature of the United Methodist system, including emphasis upon church extension, institutional ministries, and the various forms of world wide

mission. It would also seek to develop skills for missional involvement of local churches in their own communities.

Council On Finance And Administration REPORT NO. 1

The Louisiana Conference has reached new goals this past year under the excellent leadership of Bishop Finis A. Crutchfield, Jr. The response of the local church to the challenge of inflation and increased giving has been inspiring. Let us join in thanks to Almighty God for making it possible for the people called United Methodists of Louisiana to take responsive and responsible action to the continuing challenges of this our day to serve and be the Church.

The new quadrennium calls us to new and higher goals than the past. This we can do by renewed consecration and stewardship, remembering the words — "All that we have is Thine alone, O Lord, from Thee."

This year we would call your attention to giving the **highest priority to Conference Administration and to Pensions**. We ask that you turn to the report of the Board of Pensions and notice the small amounts being paid to retired ministers and widows of the Louisiana Conference. Notice that the highest paid by our Conference for over 45 years of service was less than \$300 a month as reported in the 1975 Journal.

We again remind the local church that it cannot pay the pastor in full unless all ministerial support items are paid in full (Par. 887, 1972 Discipline).

Remittances for the Louisiana Conference and general budget items should be made monthly to the Conference Treasurer.

REPORT NO. 2

We recommend that a minimum amount equal to \$1.50 per member be paid by each local Church for the support of the Campus Ministry program.

We recommend that the Board of Directors of the United Methodist Home Hospital be granted the privilege of presenting the maintenance budget of the Home to each local church, and that Sunday, December 19, 1976 be observed as United Methodist Home Hospital Sunday.

We recommend that the Louisiana Moral and Civic Foundation be granted the opportunity to present its cause to the local Church and community.

We urge that an offering be taken for Retired Ministers' Homes during the month of September and that Sunday, September 19, 1976 be designated as Retired Ministers' Homes Sunday.

We request that all Churches give full support to the Methodist Children's Home in Ruston. The two dates suggested for a special offering are: October 17, 1976, and April 10, 1977.

We recommend the observance of the following special days:

- (1) United Methodist Student Day - June 13, 1976
- (2) Lafon United Methodist Home Day - July 11, 1976
- (3) Peoples' Community Center Day - August 8, 1976
- (4) Feed the Hungry of the World Sunday - September 5, 1976
- (5) Christian Education Sunday - September 26, 1976
- (6) World Wide Communion Sunday - October 3, 1976
- (7) Human Relations Day - January 30, 1977
- (8) One Great Hour of Sharing - March 20, 1977
- (9) Methodist Hospital Sunday - May 15, 1977

The Council recommends that every member in every United Methodist Church of Louisiana support the new Methodist Foundation of Louisiana.

The Council recommends a continued emphasis by all Churches of Advance Specials: both of the National Division and of Conference Specials: requesting, however, that all

Churches pay in full the World Service and Conference Benevolences apportionment before appropriating funds for second-mile projects.

We recommend the continued support of Western Methodist Assembly at Mt. Sequoyah, Arkansas, with a goal of \$10.00 per pastoral charge. Each district is to raise the amount on the basis of the total number of pastoral charges in the district.

It is recommended that the First National Bank of Shreveport, Louisiana, and the Commercial National Bank of Shreveport, Louisiana, be designated as the principal depositories for funds of the Louisiana Annual Conference.

The books of the Conference Treasurer have been audited by the firm of Joel C. Thomas, Certified Public Accountants, and they are in proper order (Par. 877, 1972 Discipline).

The Council recommends the continuation of the system of apportionments on the decimal plan (for details see Conference Rules in the Journal). The decimal plan shall be applied to the following Conference Items: (1) District Superintendent and Area Provost Fund; (2) Episcopal Fund; (3) Board of Pensions; (4) Equitable Salary Fund; (5) General Conference Administration Fund; (6) Jurisdictional Conference Administration Fund; (7) Annual Conference Administration Fund; (8) Interdenominational Cooperation Fund; (9) Temporary General Aid Fund; (10) World Service and Conference Benevolences; (11) Ministerial Education Fund; (12) Dillard-Black College Fund; (13) Centenary College; and (14) Interchurch Conference.

With regard to the Pastor's Expense Account and Utilities expense, the Council recommends to the Conference that (1) permission be granted to the Pastoral Charge to pay an amount not to exceed \$2,400 as expense, provided that the salary set by the Charge Conference be maintained, and that no Charge reduce its salary in order to raise the expense account; and (2) permission be granted to the Pastoral Charge to pay an amount not to exceed \$1,000 as utilities expense, provided that the salary not be reduced below the 1976 level.

We recommend that the local Churches pay a maximum of \$600 on the moving expenses of ministers of the Annual Conference. This expense should be paid for the incoming minister by the new Church to which he is appointed.

We remind the ministers of the Annual Conference who will move to another Charge that they are to accept salary and expense only through May 31, 1976, from the Charge they are presently serving. All June salary and expense will be paid by the new Charge.

In order to comply with the Federal Income Tax regulations, we recommend that the utilities and other housing expenses on the Bishop's residence, district parsonages, and parsonages used by the Council on Ministries Director, and ministerial associates, the Conference Treasurer, the Area Provost, and the Director of the United Methodist Foundation be considered a part of their salaries as a "Housing Allowance."

The Treasurer of the Conference is authorized to pay from the District Superintendent and Area Provost Fund twelve (12%) per cent of the average salary of the Conference for each District Superintendent and for the Area Provost to the Pension Fund.

REPORT NO. 3

World Service - 68.19%	\$ 343,000
Conference Benevolences - 31.81%	160,000

From other action taken at the General Conference, the Louisiana Conference should receive \$15,056.77 over the next fifteen years in return of payments made by our Conference to The Methodist Corporation from 1963-1970. The sum of money is being returned to the Annual Conference due to the sale of two parcels of real estate in Washington, D. C., inasmuch as plans for a National Methodist Center have been abandoned. We recommend that any money returned to the Annual Conference first be applied to any remaining indebtedness on the Episcopal Residence of the Louisiana Conference and any remaining sums thereafter be placed in the United Methodist Foundation of Louisiana.

We call attention to the plans of the Lafon Home Board of Trustees to construct a new facility. Lafon is a Louisiana Conference institution of 110 years of which we should take pride as a Conference and we call upon all of our churches to respond generously as pledges are sought for this great historic institution. We are most grateful for the generous grant of \$400,000 to be paid over the next four years by the Harry R. Kendell Fund. We recommend this project as a high Conference Advance Special priority for the conference year ahead.

TOTAL	\$160,000

We recommend that the Treasurer be authorized to pay \$3,600 from the District Superintendent's and Area Provost Fund for extra travel to Cabinet meetings and up to \$1,000 for telephone calls involving appointments. Each district should provide at least half-time secretarial help for the district superintendent from funds made available from the district budget, upon recommendation and approval of the District Stewards. Total salary and expense of each district superintendent this year is \$21,128 (see Conference Rules). We recommend that \$4,500 of that amount be designated as an Expense Account and that \$1,000 be designated for Utilities, leaving \$15,625 as salary.

The percentage of the Episcopal Fund is an amount equal to 1.875 per cent of the salary or salaries paid the pastor or pastors serving in the Louisiana Annual Conference. The same is computed on the preceding year for the succeeding year and is apportioned to the Churches on the Decimal Plan.

Each Council, Board, Commission, Committee, etc., shall designate one member and a reserve to be the person who shall sign vouchers from his Council, etc., for expenses which are to be paid by the Conference Treasurer. Institutions and agencies which receive funds from the Annual Conference are required to submit a financial statement at the end of each calendar year (Par. 868.4). A list of all investments and the returns therefrom shall be submitted to the Council and to the Annual Conference annually (Par. 868).

The financial statements and investment information shall be sent to the Conference Treasurer.

The Council should like to remind the Conference of Judicial Council Decision No. 345 which states that "ministerial members of an Annual Conference serving under episcopal special appointments shall report their salaries or remuneration for publication in the Annual Conference Journal."

The Council recommends that the Annual Conference vote to place in the Contingency Fund of the Annual Conference all interest from the invested surplus funds of the different Conference Boards and Agencies.

REPORT NO. 4

We recommend that seventy-five (75%) per cent of the money raised in the Annual Conference for the Dillard-Black College Fund be designated for Dillard University, New Orleans, Louisiana.

We recommend that the Reverend Lloyd A. Foreman be granted permission, as Conference Evangelist, to continue the Board of Advisors, which give moral and financial support to his ministry (Par. 1044.885 and 868.4, 1972 Discipline). We further recommend that his appointment be "without annuity," but that he be given the right to pay or to raise the annuity himself.

B. REPORTS OF BOARDS

Board of Church And Society

The Board of Church and Society of the Louisiana Annual Conference of the United Methodist Church rejoices in the quadrennial priority on "Personal Commitment to Jesus Christ." Being Wesleyan in background and spirit, we remember that John Wesley had this priority and another one which has remained with Methodism until this day. The 1972 Discipline states it as follows: "First, was the gospel of God's grace, offered to all persons and equal to every human need. Second, was the moral ideal which this gospel represents to me. The Bible, he declared, knows no salvation which is not salvation from sin. He called persons to holiness of life, and this holiness, he insisted, is 'social holiness,' the love and service of their fellowmen." It is our understanding that personal commitment to Christ includes a commitment to the social implications of the gospel. We recommend that the emphasis on this theme in our Conference include the experience and expression of our historic Methodism. We believe that the Christ whom we meet and to whom we commit ourselves lays a claim upon us to go into the world in order to fulfill our commitment. This means that the church and each of us as individual Christians will be signs in the community of Christ's continuing presence.

We commend the many local churches in our state that have developed services to the local community. Some of the actual programs and services are as follows:

- Tutoring programs
- Education on issues and candidates in political campaigns
- Ministry to older persons
- Worship services in prisons and jails
- Emergency funds for food
- Clothes closets
- Furniture collections
- Hospital beds and other sick-room equipment for community use
- Nursery and day care centers in deprived neighborhoods
- Marriage enrichment, parent training, and counseling services
- Thrift stores

Programs to assist persons to read and write
 Ministries to retarded children
 Working with persons of other races on social welfare projects
 Support of local Hunger Funds
 Community studies on drug addiction, alcoholism, and crime
 Efforts to improve health care services
 Community action to improve television programs
 Care for former prisoners, alcoholics, and run-away young people
 Support anti-poverty organizations and human relations councils
 Support of United Way, Boy and Girl Scouts, Campfire Girls, blood banks
 Support for emergency help agencies, e.g. Mainline, Helpline, Open Ear, etc.
 The Board recommends the following to the Louisiana Annual Conference:

1. We recommend continued support for the Coalition for Human Dignity. This is a coalition of 50 organizations in the state working to increase the financial support for families with dependent children. Through the efforts of the Coalition and others, the grants for a family of four have been increased from \$112 to \$146.

2. We recommend that individual Methodists and churches study the social implications of the case of Karen Quinlan. The national struggle in regard to Karen Quinlan has raised important questions of a theological, ethical, and pastoral nature. We further recommend that a state seminar on bio-medical ethics be held in 1977, a broad based interdisciplinary panel made up of prominent persons from the disciplines of medicine, law and religion be assembled to deal with the human, social and Christian aspects of the issue, that it be held in New Orleans, and that prominent persons in medicine and Christian social ethics deal with the human and Christian aspects of the issue.

3. The United Methodist Annual Conference offers its support to the Louisiana Interchurch Conference for a state conference in the near future on the question of the quality of commercial television. We are disturbed at the great increase of violence and degrading material on television and the harmful effects that it has upon the development of our national concepts of right and wrong.

4. We recommend that continued support be given for the decentralization of Angola and for the general improvement of the Louisiana penal system. We encourage local communities to support decentralization and prison reform through work programs and other means.

5. We recognize the rights of labor and management to organize or not to organize as they may choose, and to work for their common interests. However, we deplore the use of violence as a means of settling any labor-management dispute. We urge law enforcement officials, labor and management groups to take preventive measures to avoid violence and encourage public officials to actively investigate and prosecute violations of the law.

6. We have been greatly disturbed to learn of a reduction in mental health services and facilities throughout the state. At a time when there is an increase in the number of persons needing such services, and at a time when medication and counselling can help troubled persons, we recommend that these services be enlarged and expanded instead of curtailed and reduced. We recommend also that we consult the chairperson of the Louisiana Association of Mental Health, Mr. Dudley Flanders, to determine the exact needs of mental health services in Louisiana.

7. We recommend that our nation continue to work for peaceful relationships with all other nations through the United Nations and through individual relationships. We further recommend that careful study be given to defense spending. We recommend a reduction in whatever part of our defense budget is wasteful and unnecessary duplication, and we recommend that as a nation we give support to humanitarian needs.

8. We recommend continued support of the Hunger Fund. We recommend the churches support the Methodist Committee on Relief and that churches establish local emergency funds to meet the needs of those close at home. We commend those local churches that have encouraged families to fast for certain meals and to give the proceeds to the Hunger Fund, and to those that have established faith funds and other means of highlighting this im-

portant need. We urge every local church to make an intensive effort to involve each of their families in a personal experience that focuses on hungry and starving persons in our community, nation, and world. This might include a week of **austerity shopping** (staples, not fancy foods) and/or sacrificial meals, including prayer for the hungry, with the money saved to go toward our Conference offering for World Hunger. It is hoped that every church will exceed a goal of \$1.00 per member.

9. We recommend that during the bicentennial year local churches have special studies through church school classes, women's groups, youth groups, Sunday evening and week-day studies. We recommend that the local churches have studies of books that relate to the Christian celebration of the bicentennial and the role of the Christian faith in a changing society. We recommend the following books for consideration:

The Nation Yet To Be by Bishop James Armstrong, Friendship Press, New York

Go Free by Elliott Wright, Friendship Press, New York

Romans, a Revolutionary Manifesto by Lycurgus M. Starkey, Jr., Abingdon Press, Nashville and New York

Scripture and Social Action by Bruce D. Rahtjen, Abingdon Press, Nashville and New York

The Future of the American Past by Earl H. Brill, The Seabury Press, New York

I Pledge Allegiance by Paul S. Minear, The Geneva Press, Philadelphia

Galatians: A Letter for Today by L. Harold DeWolf, William B. Eerdmans Publishing Company, Grand Rapids, Michigan

Defining America by Robert Benne and Philip Hefner, Fortress Press, Philadelphia

Christians Awake by J. Elliott Corbett, Harper & Rowe, Publishers, New York, Evanston, and London

10. We recommend that local Councils on Ministries study their local community and project a program of Christian witness. We encourage local churches through the Council on Ministries to set specific goals and plan ways to implement these goals in their community. The list above of what some of our churches are presently doing may suggest possible services.

11. We express appreciation for the state-wide support that has been given to public education and public school teachers during this year. We are especially grateful for the districts that have had public education seminars and have affirmed public education and public school teachers. We believe that public school teachers should not be judged incompetent because of racial design and that institutions such as Dillard, Grambling and Southern Universities represent institutions of quality education in Louisiana.

12. We recommend early training for the District Directors of Church and Society. Also, we encourage the District Directors to work with the District Superintendents and District Council on Ministries to project a district program and to implement the Conference decisions relating to church and society.

13. We recommend that local churches observe the following special days that relate to Church and Society:

Human Relations Day

One Great Hour of Sharing

Golden Cross Sunday

Worldwide Communion Sunday

World Order Sunday

14. We recommend that churches and individual Methodists subscribe to "Engage-Social Action," a publication which deals with current social issues published by the United Methodist Board of Church and Society in cooperation with the United Church of Christ.

15. We recommend that the Louisiana Annual Conference go on record as opposing House Bill 1411 in the State Legislature which would legalize gambling in Orleans and Jefferson

Parishes. We also recommend opposition to Bill 1412 which would give all parishes legalized gambling through local option. We encourage each delegate to write his representative and senator to this effect and ask each pastor to present it to his local church or charge.

In conclusion the challenge of the Christian faith to our lives in these days might be summed up in the words of the unknown saint who has written

Let us open the clenched fist and extend the open palm.

Let us mourn till others are comforted, weep till others laugh.

Let us be sleepless till all can sleep untroubled.

Let us be meek till all can stand up in pride.

Let us be frugal till all are filled.

Let us give till all have received.

Let us make no claims till all have had their due.

Let us be slaves till all are free.

Let us lay down our lives till others have life abundantly.

Respectfully submitted,
James L. Stovall, Chairman

AGENCY RELATED TO BOARD OF CHURCH AND SOCIETY **Louisiana Moral and Civic Foundation**

The Louisiana Moral and Civic Foundation is a religious, educational and legislative organization. Founded in September, 1942 for the Purpose of SEEKING A CHRISTIAN SOLUTION TO THE MORAL PROBLEMS OF OUR DAY. Is domiciled at 1030 Convention Street, Box 2951, Baton Rouge, Louisiana 70821.

LMCF is divided into three areas of concern. Executive Division under the direction of Mark A. Lower, Educational Division, Mark Tullos, and Legal and Legislative Division, Ken Ward. Ruth C. Hotalen serves as the Administrative Assistant, W. Earl Hotalen Executive Director Emeritus.

PROGRAM

The program of the Foundation is to assist all churches of all faiths, schools, organizations, civic groups and individuals. A close working relationship with the State Legislature enables us to forward pertinent information to more than seven thousand Christian citizens throughout the state during an Annual Session. A regular Bulletin Service will be continued as finances permit. State-wide assistance is given for a better understanding of the law, as it relates to special situations in various communities, towns and cities throughout Louisiana. An active program is maintained concerning pornography, obscenity and questionable movies and such. Educational programs are presented to students in elementary, high schools, universities and colleges as well as private and parochial schools. Youth confronting youth, challenging them to a better moral life and appreciation of opportunities in our great country, A LIFE FREE FROM ALL NARCOTICS AND DRUGS based on faith in God. Musical programs reach many students as well as adults in a meaningful manner. Recordings of these are available at the Home Office. Each Division of LMCF is enlarging its area of concern. More opportunities to serve come daily. This far-reaching program naturally requires prayerful thought in planning and an increased budget.

Without the Christian people of Louisiana, their prayers and financial support this program of serving others, because we care, would not be possible. We wish to express our grateful thanks to the many churches, their dedicated ministers and members and again seek their prayers and continued support through the coming years.

We thank you — you, the PEOPLE OF GOD! Remembering that we can do TOGETHER what we cannot do separately.

EVANGELISM

Reflections Of The Past — Projections For The Future

Those of us working in the particular concern on Evangelism for persons in our conference, find again that we have much to rejoice over. For the great number of additions, many on profession of faith which our churches have received during this conference year. It is certainly a milestone and a reminder that we are in the midst of a time of renewal and hearing within our churches new spiritual vibrations from many sources.

This conference year began with our board giving assistance to the Board of the Laity's Annual Layman's retreat. The retreat was held at Louisiana College on Saturday and Sunday, June 28 and 29. Emphasis this year was on a strong commitment to Jesus Christ and in the local church. It was an outstanding event and a similar retreat is again in the planning for June, 1976.

The South Louisiana Christian Ashram was held for the first time on October 3-5 at the Asbury Church in Lafayette. Fine leadership came to challenge and to inspire us. They included Dr. Jordan Grooms, a well known pastor and Biblical teacher from San Angelo, Texas; Rev. Jack Gray, an approved evangelist of the North Texas Conference, and president of the United Methodist Council of Evangelists; Roberta Hall of Fort Worth, our children's director; Gary Freeman, a young man on Jack Gray's staff was the leader of our youth and special music. More than 100 persons registered for the Ashram and it was enjoyed by all.

North Louisiana Ashram was held at the Holiday Inn in Ruston, January 22-24. These meetings attracted as many or more than any event the Board of Discipleship in the area of Evangelism has done. More than 250 registered for the Ashram and at the final evening service, hosted by Trinity Church in Ruston, nearly 600 persons gathered for the great service. It was an outstanding success and another is being planned for next year.

The leadership at the Ruston Ashram included Dr. Roberta Escamilla from the Board of Discipleship, Nashville; Dr. Kenneth Kinghorn, Professor of Political Studies at Asbury Seminary, was our Bible teacher; Kent Kilbourne, Associate at First Church, Shreveport, was our Youth and Music Director, being assisted by Terry Lowe. Fullest cooperation and assistance were given by Dr. Merlin Merrill, pastor of Trinity Church and Dr. Ed. Thomas, host District Superintendent. Rev. Isaac Patton served as our Ashram Director.

It is planned this Conference year that we will have Dr. John Savage of New York to come to our State and hold a two day seminar on "Why People Leave the Church and What Can Effectively Be Done About It." His popular book, *The Apathetic and Bored Church Member* is in great demand. The place will be announced.

Lay Retreat — Louisiana College — June 26-27. We will be responsible for some small groups giving emphasis again to lay involvement in area of evangelism in the local church. Rev. Ken Carter, pastor of a fast-growing church in the North Texas Conference will be the keynote speaker and primary resource person.

The South Louisiana Christian Ashram will be held this year in Baton Rouge at the Oak Manor Motel, August 3-5. Rev. Dr. Charles Keysor, editor of *Good News* magazine will be our Bible teacher and Rev. Floyd Wingfield from Rocky Mount, Virginia will be our evangelist. Roberta Hall will be returning as our children's worker and also will contribute to the music, Mrs. Pat Ritchie of Dallas will be the Church-in-Action leader. Mr. Earl Fogleman, layman from Jefferson Church in Baton Rouge is serving as the local director.

The North Louisiana Christian Ashram for 1977 will be held in Ruston, Holiday Inn, January 20-22. Rev. Jimmy Bass of the Board of Discipleship in Nashville will be our co-ordinator of youth and music leader, Rev. Bob Stamps, United Methodist Chaplain at Oral Roberts University will be our Evangelist, Rev. Bernard Briscoe of England will be the Bible teacher. Early registrations for both Ashrams are encouraged.

It is our hope, with the cooperation and assistance of the Council on Ministries office that a Marriage Enrichment seminar for ministers and their wives may be held in the fall of this conference year. Hopefully, full details will be available at Annual Conference.

As Conference Secretary of Evangelism, I was asked to give assistance to several churches relating to particular phases in evangelistic thrusts. The reception among our people across the state has been most receptive with an earnest desire to get hold of handles to effectively share with others concerning the abundant life.

Ours is the task of evangelism in the name and Spirit of Christ. Our call is for the evangelization of the total person, that together, in the Body of Christ, our church will be a towering evangel in the State of Louisiana.

Respectfully submitted,
Jimmie D. Pyles,
Conference Secretary of Evangelism

REPORT OF THE COMMITTEE ON EDUCATION

The emphasis of the Committee on Education during the past Conference Year has been on leadership development, namely what can be done to increase church school attendance both numerically and spiritually in the local church. The Committee feels that it still does not have the solution but is striving toward achieving acceptable programs to successfully improve this all important aspect of church-life. The Committee on Education considers leadership training a very vital phase of the educational program in that it helps those who are committed to positions of responsibility in church schools to stay refreshed and keep abreast of knowledge and understanding regarding their particular areas of responsibility.

Reverend Odell Simmons, a very dynamic chairman of our Leadership Development Committee, was responsible for and gave excellent direction to the conduction of:

1. A Church School Workshop held in the Baton Rouge District for small membership churches on June 23, 1975, with 60 persons in attendance, representing nineteen churches.

2. A one-day workshop held in Alexandria on January 6, 1975, with Reverend Ray Branton and Mrs. Inez Chrisentery as co-ordinators. Thirty-one persons attended including District Co-ordinators of Children, Youth, and Adult Ministries and District Chairpersons on Education. The group made two recommendations:

- a. That a model for training church school teachers be compiled and made available to each district. This model entitled "Training Sessions For Church School Workers" has been prepared by Mrs. Wayne Fallin, Miss J. Vernita Booker and Mrs. Inez W. Chrisentery and is now ready for use within the districts. We are indebted to these persons for their time and efforts in completing this project.

- b. That a leadership conference be held for persons who are elected to new offices at Annual Conference. This group agreed that a suitable time for this conference would be during the Conference Lay Retreat. Plans are now being completed to organize such a conference.

3. A ten hour workshop was held in the Monroe District April 22-25, 1976, with 77 persons participating in all phases of the workshop. The workshop covered age-levels from Elementary I through the Adult Division.

The Baton Rouge District held a lab school at the Broadmoor United Methodist Church on January 23-25, 1976. This school covered the Nursery through Elementary V-VI age-levels. There were 56 persons in attendance. Three one-day Church School Workshops were held in the Lake Charles District during the month of February. Leadership Development projects now being planned for the remainder of 1976 and 1977 are as follows:

1. The schedule for lab schools will continue as previously set:

1976 - Shreveport District

1977 - Alexandria District, Baton Rouge District, Ruston District

1978 - Hammond District, Lafayette District, New Orleans District

2. A Laboratory School-Seminar Training Enterprise will be conducted October 7-12, 1976, at the Noel Memorial United Methodist Church in Shreveport. This event is designed to enable church school teachers to participate in the planning, teaching, and evaluation in an actual classroom learning experience for a particular age level in the church. The Seminar is designed to train persons to become certified lab leaders.

3. Plans are underway for a 1977 Focus on Adult Curriculum Resources. This Focus will

familiarize United Methodists with all United Methodist curriculum resources for adult Christian education, including several new series and units being readied for use in 1977. The project will provide leadership and materials for a workshop in our Annual Conference in which our Conference and District Leaders will be trained to provide Adult Curriculum Resource Workshops in each district, in sub-districts, in various selected clusters, and in the local churches. Reverend George Harkins, Adult Ministries Co-ordinator for the Conference, will be the Project Manager for this activity.

4. Dr. John Savage, author of the book entitled "The Apathetic and Bored Church Member," will conduct two three-day workshops in our Conference in September of 1977. One workshop will be held in the northern part of the state on September 19-21 and another in the southern part on September 22-24, 1977. All ministers are urged to make plans now to attend one of these workshops.

5. Every church is urged to receive an offering on Christian Education Sunday, September 26. This money will be used to promote leadership activities within our Conference. At the present time we are under-writing 75% of the cost of the lab schools in each District.

The activities of our Children's Co-ordinator, Mrs. Velma Fallin and our Adult Ministries Co-ordinator, Reverend George Harkins were in combination with the program of Leadership Development, thus creating a team of interested persons placing emphasis on a common cause.

Reverend William "Bill" Haskell, Chairman of Young Adult Ministries, indicates that there is an attempt to organize a Young Adult Team. Plans call for an organizational meeting during Annual Conference in June. This meeting should give focus to Young Adult Ministry in the future.

A "Bike-centennial" tour of the historic Natchez Trace will be held June 20-27, 1976. The Reverend Brady Foreman will lead this group on a 290 mile bike trek from Washington, Mississippi to Tupelo, Mississippi. This will be a camping event with a "Sag Wagon" (a Ford Van) carrying tents, food supplies, and other necessary items. Along the Trace there will be approximately 45 historical points of interest including parks, plantation homes, and natural beauty.

September 3-5, 1976, (Labor Day Weekend) Dr. Harvill Hendrix from Perkins School of Theology and Reverend Jim Wilson, Campus Minister at Northeast University, will lead a Week-end Retreat dealing with communications and teaching methods for Young Adult Leaders. This event is designed for ministers, Young Adult Co-ordinators, and Young Adult Teachers. The location and additional information will be given through the council office.

A Backpack Trip under the leadership of Reverend Ray Branton is also scheduled for the Pecos Wilderness area of New Mexico in early June, 1977.

This report would not be complete without expressing our appreciation to Reverend Ray Branton for the assistance he and Mrs. Inez Chrisentery and others of his staff have rendered us in the area of Christian Education during the past year.

Finally brethren, ours is a task — and a major one — of carrying forward one of the vital elements in the three-fold ministry of Jesus Christ. "Christian Education" has its roots in nature of the Christian Gospel. Therefore, in the name of the Master Teacher, Jesus Christ, let us continue to promote Christian nurture for persons of all ages in the nine districts and all of the local churches of our Conference.

Samuel W. Walker, Sr., Chairman
Odell Simmons, Leadership Chairman
Bill Haskell, Young Adult Chairman

CONFERENCE YOUTH MINISTRY

The most exciting response to youth ministry in many years took place in the fall of 1975 and spring of 1976. The Youth Convocation at Pineville with the theme, "The Bicentennial from a Christian Perspective," saw some 500 youth from across the Conference come. The Winter Retreat at the Lake Charles District Camp with the theme, "Darkness into Light" was also successful. An overflow crowd of 100 youth and adults dealt with such issues as

"Till Death do us part," "The significance of Jesus' death," and "Life, death, immortality and resurrection," while taking a look at such customs as the watch, wake and fast.

A most exciting summer is about to take place.

1. June 11-19. Conference Senior High Trip to Pecos Wilderness (Rocky Mounts) at Pecos, New Mexico, and directed by Rev. Ray Branton.
2. June 22-24. District Team Training at Centenary College for District Youth Teams and directed by Conference Youth Team.
3. June 25-July 10. United Nations Seminar at New York UN Headquarters and Washington, D.C. and directed by Rev. James Graham.
4. July 12-17. "Community Experience" at Caney Lake Camp near Minden and directed by Rev. Lorris Wimberly, Jr.
5. July 26-31. Conference Mid and Senior High Work Camp at St. Mark's Camp near Covington, Louisiana and directed by Rev. Rick Hebert.

The Youth Service Fund, 70% of which funds mission projects, decided upon by Louisiana Youth will contribute to four projects this year. They are the following:

1. An Appalachian Service Project
2. Dulac Community Center, Dulac
3. Felicity United Methodist Church, New Orleans
4. St. Mark's Community Center, New Orleans

Willis Dear, Chairman

CAMPING

The 1976 Camping Program for the Louisiana Annual Conference is dedicated to the memory of our beloved brother, W. RALPH CAIN. Surely the achievements of Conference Camping Committee for this year were the result of his dreams and his challenge to us.

Several exciting things have and are happening in the area of camping in our conference. First, our report for 1975 shows a little gain over 1974. Both are included so a comparison can be made.

		Elementary	Jr. High	Sr. High
1974	No. of camps	9	9	3
	No. of campers	470	360	166
1975	No. of camps	9	8	4
	No. of campers	546	491	201

Second, one of the dreams that Ralph Cain held before us was to have a professional staff person at each campsite for the summer. Joy Goodroe of LSU, and Bruce Strotman and Rita Cromwell from the CSCC program at Centenary have been hired to work at Lake Charles-Brewer, Istrouma and Caney. These are talented and dedicated Christians and we expect exciting things to happen.

When our camping leaders of our conference go to national meetings for training, we are disappointed at our camping program as compared to that of most conferences in United Methodism. But, we have been making some great strides forward. Some people had a dream . . . and Camp Istrouma was purchased from the Boy Scouts by the Baton Rouge and New Orleans Districts (which now includes Hammond). At the present time they are making improvements at a cost of \$12,000, which should be completed by June. District Superintendents Leonard Cooke and Harvey Williamson and Laymen John Bergstedt and Eloi Primeaux had a dream . . . and the Lake Charles District Camp stands as a monument to their dream.

And now as the Forestry Service threatened to take Caney Lake from us, some laymen in the First United Methodist Church in Shreveport had a vision . . . and the Rev. David Stone reports the following; "plans are under way to renovate the Caney Camp into the Caney Conference Centre. Physically, we anticipate between \$300,000 and \$400,000 of renovation and building to include winterizing 17 cabins, remodeling the dining hall and fellowship hall,

building a swimming pool, four lighted tennis courts, a picnic area, a ski beach and all-weather tabernacle (chapel). Plans also include replacing the water tower, extending the present road, constructing trails, and renovation of the Resident Director's home. (That has been completed.) We fully expect to be in operation by June 1, 1976, with everything completed by September so that we can operate year-round. We already have a young couple, Mr. and Mrs. Benny Vaughan, as Resident Directors living on the site and overseeing the progress. We expect to operate with 180 campers at capacity for the resident camp, and 36 campers in the rustic-primitive areas.

"The Caney Conference Centre will be available for all groups, individual churches, and others on a first-come, first-served basis. Further information and booking can be obtained by writing or calling Benny Vaughan at the Caney Conference Centre, P.O. Box 707, Minden, Louisiana 71055."

William I. Eubanks, Chairman

COMMITTEE ON WORSHIP

In cooperation with the Bicentennial Committee of the Annual Conference, a Heritage Sunday Worship Service is being planned. Three different types of services will be available for use. One or more of these will be acceptable to any size church.

Heritage Sunday is May 23, and at this time all churches are being asked to celebrate the Bicentennial year as well as the great heritage we have as a church.

James Jones, Chairman

At the center of Christianity in America during these two hundred years of our history has been preaching, teaching, and concern for person. Your Board of Discipleship feels very strong about continuing these emphases; therefore, we urge everyone to put forth the effort to make these areas effective in our Conference.

The recommendation of the Committee on Research and Planning offers us another challenge by setting as the priority for 1977 "Personal Commitment to Jesus Christ." The plans for this program will be presented at Annual Conference.

Your Board of Discipleship counts it a real privilege to serve, so feel free to call upon us.

Carey Martin, Chairman
Conference Board of Discipleship

Board Of Global Ministries

Responsibilities have been assigned to the Board of Global Ministries by the Book of Discipline of the United Methodist Church and by the Louisiana Annual Conference. Funds have been made available through the Conference apportionment and collection system and from other sources. Concerns and needs have been brought to the Board from the districts and agencies of the Conference with requests for funding, for counsel, and for moral support. The Board of Global Ministries has sought to be faithful in the discharge of its assigned responsibilities, careful in its stewardship and distribution of funds, sensitive and responsive to needs and requests; and in all and above all, obedient to the divine commission to go into all the world to preach, to teach, to baptize, and to be the body of Christ. To this end priorities have been established, support has been given, and recommendations for Conference action are made herein.

CHURCH AND COMMUNITY

Upon recommendation of the Board, each district has added to its District Council on Ministries a Town and Country Secretary. These persons will work with our Church and Community Officer in developing a program of support for Town and Country Ministries within the bounds of the Conference. A modest amount has been included in the budget of the Board to empower these District Secretaries. The Board has investigated the possibility of

securing a Church and Community worker to work within the bounds of the Conference, and this study will be continued by the Church and Community Officer and the District Secretaries for Town and Country work.

ECUMENICAL AND INTER-RELIGIOUS CONCERNS

Mr. Milton Johnson, Ecumenical and Inter-Religious Concerns Officer of the Board, has represented the Board in the meetings of the Louisiana Inter-Church Conference. Dr. Woodrow Hearn was a member-delegate to the World Council of Churches meeting in Nairobi in the latter part of 1975. Several ministers of the Louisiana Conference will be delegates to the meeting of the World Methodist Council in Dublin, Ireland, in the latter part of August, 1976. The report of the Executive Director of the Louisiana Inter-Church Conference is appended as a part of this report. We urge the full payment of apportionments for the Louisiana Inter-Church Conference by each church. The total apportionment for the Conference is \$15,200.

HEALTH AND WELFARE MINISTRIES

The report of the Health and Welfare agencies of the Conference are appended as a part of this report. We call special attention to the good fortune of Lafon Home in New Orleans in receiving a grant of \$400,000 from the Kendall Fund of the General Division of Health and Welfare Ministries and an additional \$18,000 from a foundation in Oklahoma. Lafon Home is in the process of making plans for the building of an entirely new facility at a cost of \$2,000,000. The Board has maintained a close working relationship with the Study Committee on Retirement Housing and Health Care which was brought into being by the Conference one year ago. Mrs. Hugh T. Ward, chairman, and the Committee are to be commended for their enthusiasm for this study and the thorough job which they have done. At its meeting of January 17, 1976, the Board took action to endorse the Study Committee report and to appoint representatives from the Board of Global Ministries to work with the Commission on Finance and Administration and the Conference Chancellor in the wording of an appropriate resolution proposing the building of a retirement facility, to be presented at the meeting of the Annual Conference, June 1-4, 1976. This resolution will be appended to this report.

CHURCH EXTENSION

St. Timothy on the North Shore, a new congregation in the expanding area of Mandeville in the Hammond District, has had an excellent first year, justifying the faith of those who projected and established this new church. The Board of Global Ministries granted \$16,000 toward the purchase of a parsonage for this new church. Preliminary studies and meetings have been held toward the establishing of a new church in Slidell. A minister will be assigned to this new congregation at this meeting of the Annual Conference. The Board of Global Ministries has granted \$10,000 toward the purchase of property for this new church and \$1800 toward salary support for the minister. The other districts of the Conference will also be making contributions toward this new Slidell church. A new church in Lafayette is also in the planning stage, and a minister with responsibility for it will be appointed at this meeting of the Annual Conference. The Board of Global Ministries has granted \$4600 toward the salary of this minister for 1976.

All of the surplus funds of the Board of Global Ministries have now been invested in new congregations. We anticipate that our financial balance at the end of 1976 will be approximately \$4000. The Annual Conference meeting last year did vote an additional \$10,000 for the Board, with the recommendation that it be used for the purposes of Church Extension. This money is being collected this year and will be available for distribution in 1977. The Board has requested an additional increase of the Council on Finance and Administration for Church Extension purposes to be approved by this Annual Conference, to be apportioned for 1977 and available for use in 1978. This request is made in response to the increased applications for grants from the Board, particularly to assist in the establishing of new congregations.

REVOLVING LOAN FUND

The financial report for 1976 of the Revolving Loan Fund, submitted by the Rev. Donald J. Hall, Church Extension Grants and Loans Officer of the Board, is as follows:

Accounts as of 1-1-75	41
Accounts paid in full during year	12
New Accounts	12
Accounts as of 12-31-75	41
Balance in bank account 1-1-75	\$15,000.00
Loans receivable 1-1-75	75,960.00
Interest added during year	751.00
Payments received	33,916.00
New Loans (12)	31,700.00
Balance in bank account 12-31-75	17,216.00
Loans receivable 12-31-75	74,495.00

The policies governing the Revolving Loan Fund may be found on pages 84-85 of the 1975 Conference Journal or will be furnished by Rev. Hall on request. His report shows that seven churches are delinquent in payments on existing loans. Four of these have made no payment and three have made payments but are in arrears.

SUPPORT FOR ACTION MINISTRIES

The Board, after careful study by a task force, has established the following policies and priorities as guidelines for the administration of SAM funds:

Recommendations

1. To receive SAM funding, a project must be directly related to and/or sponsored by the United Methodist Church through the Conference Board of Global Ministries.
2. It must be Project or Program Oriented, meaning that supplemental salary support will have last priority.
3. Projects receiving support from Conference and National Division Funds must receive at least 50% local support.
4. It is recommended that 10% of SAM funds allotted to this Board by the Conference be retained each year for emergency grants during the year, with any balance at end of year designated for church extension.

Priorities for Support Funding

1. Church Extension for new congregations
2. Local Church Programs or Projects (Hughes, St. Paul's, etc.)
3. Church Sponsored Community Projects (Sp.-Amer. Ministry, Metro Ministries)
4. Institutional Programs (Dulac, St. Marks, etc.)
5. Salary Supplements

The invested principal of the Shreveport Inn Fund is \$40,097.43, resulting from the sale of the Inn property and furnishings and the accrual of \$384.03 interest up to the time that the Annual Conference made this Fund a responsibility of the Board of Global Ministries. Since that time the Fund has earned \$4900 interest. This \$4900 has been applied against a commitment to St. Mark's Community Center, New Orleans, of \$7000. The remainder of this commitment should be paid within the next year, and the income from this Fund will then be freed for appropriation to other missions projects.

We recommend that the goals for Jurisdictional Advance Specials be as follows:

Lydia Patterson	\$10,000 per year
Rio Grande Conference	5,000 per year
Oklahoma Indian Mission	7,500 per year

We have also recommended to the General Board of Global Ministries that Spanish-Speaking Ministries and Sager Brown become General Advance Specials.

The task force on Spanish-Speaking Ministries has been active during the past year. A budget of \$25,000 was adopted. The parsonage has been completely renovated through a prodigious amount of work done by the pastor, the Rev. Lawson Lee, and his wife, and through the support of a number of churches, notably Munholland United Methodist Church and the late Rev. Robert Jamieson, Area Provost. A brochure on Spanish-Speaking Ministries has been printed, the cost borne by the Conference Board. Support for Spanish-Speaking Ministries is increasing, and we recommend that this ministry be given priority where possible, as it received funding from no other source than this Annual Conference.

The Rev. and Mrs. James Spitzkeit, missionaries in Korea, itinerated in Louisiana in the early months of 1976; and the Rev. and Mrs. Frank Messenger, missionaries in Rhodesia, are scheduled to be in the State at some time between April and June of 1976. Mr. and Mrs. Marcus Burks of Baton Rouge spent seven weeks on a mission tour of India, visiting our points and programs and ministry there, and giving particular attention to innovative programs for feeding the hungry.

Advance Special giving of the Louisiana Conference and its member churches has increased significantly, according to reports received from the Rev. Kenneth McIntosh of the Board of Global Ministries. A substantial amount of this increase has been in giving to the United Methodist Commission on Relief. Once more the churches of Louisiana have responded generously to the appeal for aid to the victims of the earthquake in Guatemala.

The Board of Global Ministries, at the request of the Conference Council on Ministries, has responded in detail to the Conference priority for 1977: Personal Commitment to Jesus Christ.

The Rev. Garland Dean, Conference Missionary Secretary, has been elected the Financial Officer of the Board.

Plans for a Convocation of the Conference Board, District Secretaries, District Superintendents, and other leadership of the Conference have been initiated. A tentative date has been set for September 9-11, though this has not been cleared with the Conference Council on Ministries.

Our thanks to the hard-working members of this Board and their officers, the District Directors, the District Superintendents, the United Methodist Women, and all of those who, in one way or another, have helped to make this report possible and who are the Church in mission and active on every front.

THE LOUISIANA METHODIST CHILDREN'S HOME

During 1975 the Home was consulted about the needs of 188 children, provided residential and financial care to 124 children, received 37 new residents and released 31. Total children served was up 19 over 1974, and 30 over 1973. 91% of children in care are adolescents, compared to 80% in 1974. Average age is 14.3 years, and the average length of stay is 2 years.

With the aid of an Education Director, who serves as coordinator between the Home and the schools, more emphasis is being placed on better education by the total staff. Overall grade point averages are higher among all our youth, with 75% of our youth attaining a C average or above.

Total operating income contributions increased by \$16,657.42 in 1975, an increase of \$59,000 over 1973 income. During this same period, operating expenses have increased by \$104,000. A detailed financial statement has been filed with the Council on Finance and Administration of the La. Annual Conference.

The Board of Directors requests the following affirmative action by the Annual Conference:

- 1) Offering Days for the Home be designated as Harvest Day, October 17, 1976, and Easter Day, April 10, 1977.
- 2) Reappointment of Rev. Douglas T. Williams, Jr. as Chaplain.
- 3) Election of the following to a three year term on the Board of Directors: Mr. W. A. J. Lewis, Rev. Fred S. Flurry, Mr. Lucius D. McGehee, Mr. Roy C. Windsor, Jr., and Mr. A. M. Moody.

MACDONELL UNITED METHODIST CHILDREN'S SERVICES, INC.

MacDonell was founded in 1919 by Miss Ella K. Hooper and Miss Laura N. White, deaconesses of the Methodist Church. It was originally a French mission school. The school was closed in the 50's. Today our incorporated title is MacDonell United Methodist Children's Services. We have cottages for residential care of 30 children and a receiving unit that houses children on an emergency basis when they have been abandoned, abused or neglected. We offer family and marital counseling. The children in residence receive counseling and special tutoring and families of children are also involved in the counseling process. MacDonell is owned by the Women's Division of the Board of Global Ministries who contribute partially to its support. It also receives support through advanced specials through the conference and nationally. In addition, the state of Louisiana purchases care from us for children they place with us. We are a mission of the Methodist Church with a special emphasis on working with troubled families.

METHODIST HOME HOSPITAL

The ministry to abused, battered, abandoned, and needy children may be new to Louisiana Methodism, but since Louisiana set the pace in this new area of ministry it has been receiving wide recognition throughout many sections of the country. Designed to give emergency and temporary care to the abused, abandoned, neglected or needy child, it gives the Division of Foster Care time that is so necessary to evaluate the individual needs of each child.

The Home is licensed to care for 60 children. The average number in residence is between

55-60. Since becoming an Emergency Receiving Home 3 years ago, 622 children have been ministered to. The average length of residence is about 5½ to 6½ months. Some children will stay only a few days. For others it takes months for the social workers and the courts to determine the best solution for the child's future. The Home takes children from any parish in the State.

After the in-depth studies are made about 40% of the children will return to their natural parents. The larger number will need to be placed in good long-term foster homes. A small percent will be placed in special hospitals and treatment centers that can supply the special therapy indicated.

To provide this ministry in 1975, \$308,860.00 was spent. The operating budget for 1976 has been set by the Board of Directors at \$329,405.00. The State of Louisiana purchases care for these children, but it covers only about 60% of the total cost. The other 40% must come from the local churches of the Conference on the basis of 4% of the pastor's salary.

The Home is receiving more and more support from more churches across the Conference as the ministers and congregations come to understand the scope of this new ministry.

The Board of Directors sincerely appeals to every local church to accept an amount equal to 4% of the pastor's salary and take the special offering in December for the Home.

Community Centers DULAC COMMUNITY CENTER

When Miss Wilhelmina Hooper first came to Dulac in 1932, there was no church, no school, no doctor, and economic development consisted of struggling to put food on the table each day. Today, religious services exist to meet the spiritual need of the people. Finally, in 1970, educational opportunities of adequate standard were made available from kindergarten through College. Still there is no doctor, and economic development consists of a dream more than a reality.

The Center's work at this point in education is motivational and supportive. The educational experiences of many parents is so weak that the Center is needed to assist in providing the proper background for the pre-school children so that they can and will take advantage of the opportunity for education. This we do through the Day Care and Home Visitation programs. Encouragement and motivation for the present school-age children is needed as well. This we do through the work incentive program, tutoring, and youth counseling. This year a scholarship was provided making it possible for one of the youths to take advantage of the College opportunity.

The immediate medical care problem is accessibility. Efforts are underway to draw together the resources of the total community in conjunction with a private foundation to secure a model rural medical practice clinic staffed by two doctors and an administrator.

In the field of economic development, LSU Extension Service has given its support to Dulac in several constructive ways. A survey of the needs of the area is presently underway being conducted by the Sociology Department of L.S.U. Work is in process to breathe new life into the dream of a Fisherman's Co-op, gently guided by the experienced hands of Extension personnel with long years of involvement in co-ops of all kinds.

We can all rejoice in the success of past work and past accomplishments. Hopefully you agree there is much work yet to be done just as important and vital as the educational work of an earlier day. It is to the credit of the Board of Directors that they have stayed sensitive to the developing needs of the people.

HUGHES UNITED METHODIST CENTER

Hughes United Methodist Center is a Community Center serving the Eden Park area of Baton Rouge. It is supported by Churches on the Baton Rouge District, The Louisiana Annual Conference and The National Board of Global Ministries.

The ministry at Hughes provides a Day Care Center for working mothers, recreation that is supervised after school hours, a day camp during the summer months, sewing and knitting classes for teenagers and adults, job information and job placement, and emergency aid for persons who need help.

PEOPLES' COMMUNITY CENTER

Rev. R. M. Walker, District Superintendent, and Bishop R. E. Jones originated the idea of a seven-day-a-week church to serve community needs. This enterprise was organized on July 4, 1922, with Rev. James C. Calvin as first pastor and director of Peoples' Community Center. The original plan emphasized activities for children, youth and adults through the Child Welfare Clinic, the Day Nursery, music appreciation, community day school and continuing education. Current program continues these emphases. The Day Care Program, for children 18 months through 5 years, operates from 7:00 a.m. to 5:00 p.m., and the recreation program is offered from 3:30 p.m. to 10:00 p.m.

A highly qualified staff of twenty-eight includes eight with college degrees and three with teaching certificates. Others have some college training or high school diplomas. Continued staff training has been provided in human relations, early child education and administration. A food service workshop was held under the direction of Dr. Clarence J. Fletcher, Supervisor, Food Service Program, La. State Board of Education.

Financial needs have been assisted by contributions from Peoples' Community Center Circle, United Methodist Women of First Church, Lake Charles, Napoleon Ave. Church, St. Matthew's Church, Metairie, and Mr. and Mrs. Frank Tillman of Pineville. Needed repairs have been completed with the assistance of these gifts. Further consideration needs to be given to salary increases for staff persons. Budget for 1975 was \$114,700. We received and accounted for \$118,823.48, this increase in receipts over the amount budgeted due to: a) an increase in food service payments, b) an increase in number of vendor payments, and c) more stringent financial control on accounts receivable. United Fund contributed \$30,500 in 1975, and has budgeted \$36,000 for Peoples' in 1976. Total budget for 1976 is \$130,000.

Recommendations for 1976:

- 1) That the Personnel and Finance Committee study the Fair Labor Practice Law to insure full compliance by Peoples'.
- 2) That the Building and Grounds Committee study and seek ways to expand present facilities.
- 3) That additional staff be sought to comply with staff-child ratios required for the food service program, the federal commodities program, and the family service program.
- 4) All our children presently qualify for the new food service program.
- 5) That Miss Dorothy Chapman, an ardent advocate of Community Centers, be remembered by the Board of Directors when she retires in May.

We express our appreciation to Bishop Finis Crutchfield, to Dr. Alfred Norris, District Superintendent, to Dr. Robert F. Harrington, Board Chairman, to all Board Members, to United Methodist Women's groups who have shown their interest in our growth and development.

ST. MARK'S COMMUNITY CENTER

St. Mark's Community Center, located on the border of New Orleans' historic Vieux Carre'-Treme section, has been serving the youth of the City since 1916. A rich and varied history has made St. Mark's one of the best known Community Centers in the United States. Today, over three thousand persons each year participate in a St. Mark's activity, attend a Center-sponsored event, or receive referral services from the Staff at St. Mark's.

St. Mark's is a multi-purpose Community Center with emphasis on working with youth. It is the home of the Treme Street Academy, Big Sisters of Greater New Orleans, St. Mark's Free Clinic, the St. Mark's Afterschool Recreation Program, the Covington 'New School,' located at St. Mark's Camp and Laini Kuumba School for the Creative Arts.

On any given day, this adds up to three hundred participants in the various aspects of its program.

St. Mark's is receiving wide-spread attention for its work with youth. The Treme Street Academy has been called "one of the Nations best" by the National Council of Jewish

Women. Laini Kuumba School for the Creative Arts has twice been funded by the National Endowment for the Arts and Big Sisters is the only program of its kind in the State.

St. Mark's is 'Mission-in-Action' — A testimony to the relevance of an Urban Ministry among today's youth.

Ecumenical Agency

LOUISIANA INTERCHURCH CONFERENCE

The Louisiana Interchurch Conference has completed another year's work with its Seventh Assembly at Catholic Life Center in Baton Rouge, January 20-21, 1976. The Assembly witnessed the termination of the presidential term of Dr. J. Woodrow Hearn of the United Methodist Church and the installation of the new president, Dr. W. Maynard Fountain, Jr., a General Presbyterian of the Presbyterian Church, U.S., the Presbytery of South Louisiana.

One of the significant things for the year was the signing of a cooperative agreement between Louisiana Interchurch Conference and the Louisiana Bureau of Aging Services. This should increase the aim of Louisiana Interchurch Conference as it endeavors to work with those churches related to the Conference. A full-time worker is expected to eventually emerge from this team work, also.

The office secretary of Louisiana Interchurch Conference, Mrs. John D. Parker, has been appointed the official volunteer coordinator for the State of Louisiana for American Issues Forum. This has given another State-wide dimension to the work of Louisiana Interchurch Conference.

The Eighth Assembly will be held in January, 1977, in Monroe. Judicatory Heads are working on the best of three sets of dates so that a specific date cannot be released at this time. But all points north are expected to rally to the 1977 Assembly.

Finally, we express our gratitude to the Louisiana Annual Conference for its splendid support of this ecumenical venture we call the Louisiana Interchurch Conference. Thank you very much.

Homes For Retired And Aging LAFON HOME

The home has met current minimum requirements set by the Louisiana Health and Social and Rehabilitative Services Administration. This is the Federal agency which regulates nursing homes.

Lafon is affiliated with the following organizations whose purposes are professional in formation and the best general interest of aged persons and nursing homes: Certification Council of the Division of Health and Welfare Ministries of the Board of Global Ministries of the United Methodist Church, LHCA, AHCA and AAHA.

Our occupancy level remains high, above 84%, and our average age is above 70 years.

The Home has been blessed with a grant of \$400,000 over a five year period from the Harry R. Kendall Fund administered by Harry R. Kendall committee of the Health and Welfare Ministries Division, Board of Global Ministries. The Home is grateful for this grant to be used in constructing a new facility. Plans are in motion to have groundbreaking in midyear, 1976, on a building estimated to cost 2.5 million dollars.

The Lafon Home Board of Trustees has had permission for many years to solicit funds in the Conference. The Home is designated a Conference Advance Special, and therefore may solicit funds without additional permission. However, the Home is asking the CFA and the Conference for reaffirmation in view of its plans for an enormous expansion and rebuilding undertaking. Committees are being set up to solicit business people, industries and other secular sources of income. However, there have also been committees established in districts and many local churches. A faithful and intensive effort will be made to secure pledges both within and without the church. No liability is to be assumed by the Conference,

nor will any assessments against congregations be established. However, committees and groups will have goals and will strive to reach them.

The Lafon Home is asking the Conference to reaffirm its historic right to solicit funds and to secure pledges. Lafon is 110 years old, one of the most beautiful and ancient responsibilities of the Louisiana Annual Conference.

RETIRED MINISTERS' HOMES

The Retired Ministers' Homes Board was organized in 1953. The first home was built in 1956. In this 20 year period 20 homes, a six unit apartment complex and 2 lots have been built or acquired.

There are two homes in each of the following districts: Baton Rouge, Alexandria, and Lafayette District. Three are located in the Monroe District; six homes and a six unit apartment complex in the Ruston District; four in the Shreveport District, and one in the New Orleans District. Plans are underway to build in the Hammond District. Tentative plans are being made to build in the Lake Charles District in the near future. The value of these properties is more than \$600,000. At present 40 of the conference claimants are being housed.

The need for the future is even greater than the past. We must build at least two homes per year to provide for all who have applied for a home. The Fall Campaign is the chief means of support for this unique conference program. A house today costs \$30,000-\$35,000 to build. Last year donations in the amount of \$18,388.76 were received.

As Bishop Finis A. Crutchfield wrote in the 1974 brochure, "There is no lovelier or more personal gift than that of providing for those who have rendered signal service through the years, and who now have earned a blessed and dignified retirement."

Persons currently housed include Rev. and Mrs. Daniel Deen, Mrs. George Dameron, Dr. and Mrs. Luman Douglas, Dr. and Mrs. Dana Dawson, Rev. and Mrs. Robert Bentley, Dr. and Mrs. Albert Hurley, Mrs. Alton A. McKnight, Rev. and Mrs. Jack Midyett, Rev. and Mrs. Ira Love, Mrs. Alvin Smith, Rev. and Mrs. B. Paul Durbin, Rev. and Mrs. Frank Lankford, Mrs. Annie Strozier, Mrs. John Gieck, Rev. and Mrs. Otis Spinks, Mrs. Adonna Cain, Mrs. Lucy H. Pfof, Rev. and Mrs. Alvin Mayo, Rev. and Mrs. E. M. Dill, Mrs. Wilson Watson, Rev. and Mrs. P. M. Caraway, Mrs. Virgie B. McKay and Rev. and Mrs. Henry Rickey. One home and two apartments, in Ruston and Shreveport, are vacant at the present time.

The Ralph Cain Memorial contributed one-half the cost to the home for Adona Cain and Mrs. Lucy Pfof. A generous gift to the Board in the amount of \$50,000 was received from the Nell Parker Stipe estate. Our gratitude is expressed to all who gave. A detailed financial report has been filed with the Council on Finance and Administration.

The Board welcomes requests from ministers, laymen, churches or districts to pay one-half the cost to build a home. All memorials, and honoraria are recorded in the Book of Memories located at the Ruston Apartment parlor.

STUDY COMMITTEE ON RETIREMENT HOUSING AND HEALTH CARE

By resolution number VII of Annual Conference in May 1975, a group of interested Methodists received permission to conduct a study to determine if a need existed for church related, non-profit retirement housing and nursing care.

More than 200 volunteers have worked on this study, which included the circulating of a survey to determine interest. With the help of professional consultants and the assistance of a great variety of professional people in fields related to housing and health care, we have published a report which sets out our method of meeting the overwhelming need we discovered. This would be in the constructing of a facility which would have a variety of ac-

commodations (such as full apartments, efficiency apartments, a congregate living center, custodial care rooms, full nursing rooms, and a day care center) all located on one "campus." That is, a facility which could be a home for the retired persons of our area regardless of their needs and abilities; which could provide a continuity of care for the elderly.

As we envision it, this would be spread out over a campus of from 10 to 40 acres, rather than being a high rise type of facility. It would be financed by a combination of voluntary contributions from Methodists and our community as a whole, and long term financing from one or more of a variety of sources, which would be paid by income generated by the project. The more donations, the less financing needed.

We have received endorsement from the Board of Global Ministries at the Convocation of Boards in January, from CFA at their meeting in Alexandria on March 29, from the Shreveport District when they met on March 21, and from numerous ministers, church boards, UMW's, etc. of the churches in the Shreveport area.

In this brief report, I cannot even touch on the many exciting aspects of our proposed facility. Let us pledge to you that we are aiming for a quality facility which will provide an innovative program for its residents and rehabilitative care for its patients.

The following resolution is the one we are asking you to adopt when Annual Conference meets in June, 1976:

RESOLUTION

WHEREAS, the Louisiana Annual Conference of the United Methodist Church by Resolution number VII adopted on May 29, 1975, sanctioned a feasibility study relative to the need for an additional facility for the elderly, and

WHEREAS, a Study Committee on Retirement Housing and Health Care, after a thorough study of the needs of elderly persons in the bounds of this Conference and the Committee, has concluded that a substantive need exists for additional housing and health care for the elderly, and

WHEREAS, the Conference Board of Global Ministries and the Council on Finance and Administration of this Conference has reviewed the report of the Study Committee and recommended that its findings be presented to the Annual Conference for consideration now, therefore:

BE IT RESOLVED by the Louisiana Annual Conference of the United Methodist Church in its Sixth session at Shreveport, Louisiana, on June 2, 1976, authorize the establishment of a church related, non-profit corporation which will have for its purpose the development, construction and operation of a multi-purpose facility for the elderly to be located in the Shreveport Area, which facility would include, generally, but without limitation, a nursing center, an intermediate care center for those in need of personal care, a congregate living center with dining facilities, a multi-family residence facility and a community center to provide day care, out-patient and outreach programs.

BE IT FURTHER RESOLVED, ETC. that any corporation, organization or facility organized following the adoption of this resolution shall have no authority to obligate the Louisiana Annual Conference of the United Methodist Church, in any amount, on any obligations, loans, grants or expenses incurred in connection with the organization, development and operation of the proposed facility, nor shall any assessment or apportionment be imposed upon any of the churches of this Annual Conference or the members thereof to support or maintain such a facility, provided, however, this shall not be construed to prevent voluntary contributions by the churches or the members of the local churches of this Conference to the program of the facility.

BE IT FURTHER RESOLVED, ETC., that the articles of incorporation of the proposed non-profit corporation be subject to the approval of the Bishop of the Louisiana Area, his Cabinet, the Chancellor of the Conference, the Chairman of the Council on Finance and Administration, the Chairman of the Board of Global Ministries and the Health and Welfare Concerns Officer and the Chairman of the Study Committee.

The Shreveport District, meeting on March 21, 1976, passed the following resolution in support of our resolution:

WHEREAS, the chairman of the Study Committee on Retirement Housing and Health

Care appeared before the delegates to the Shreveport District meeting on March 21, 1976, and

WHEREAS, the delegates to this Shreveport District meeting are in accord with the findings of the Study Committee relative to the need for church sponsored retirement housing and health care, now therefore:

BE IT RESOLVED that the Shreveport District of the Louisiana Annual Conference of the United Methodist Church does endorse the resolution of the Study Committee which will be represented to the delegates of Annual Conference when they meet in June, 1976, and which will allow for the incorporation of a non-profit facility to be formed for the purpose of providing housing and health care for the elderly.

Before you read this report the expansion program of Methodist Hospital, scheduled to be

completed by Jan. 1, 1977, will be finalized and the initial rooms and services will be in operation (nine months ahead of schedule). Thus Methodist Hospital becomes a 330 bed institution with highly advanced technological abilities in X-ray, laboratory, cardiac studies, respiratory therapy, physical therapy and almost all other fine medical services. This \$8,500,000 investment is indeed an outstanding move forward, and is certainly one of which all Louisiana Methodists may be justifiably proud.

One unhappy note is that many of the people called Methodists in Louisiana do not even know that this fine Methodist institution in New Orleans exists. It still comes as a surprise to many that there is such an excellent hospital owned and operated by the United Methodist Church in Louisiana. It is also true that the support from the Conference for this program is almost shameful (only \$10,653.51 last year) and this fact is due in large degree to the fact that over half of the churches do not observe Methodist Hospital Sunday even though it is recommended by the Council on Finance and Administration and approved by the Annual Conference.

We urge Pastors and churches to make the effort to inform its membership. Even if an offering is not taken, the story should be told through the circulation of the leaflets provided by the hospital. Let us unite in this effort to inform.

Notice is hereby given that a copy of the 1975 Annual Report of Methodist Hospital will be in your packet at the Annual Conference. You are invited to read it carefully, noting the great progress that has been made by Methodist Hospital.

Methodist Hospital is deeply appreciative of all of the churches and individuals that have given support morally and financially during the course of the year. We are most grateful for your help and ask that you make continued efforts to help us do a better job.

Metropolitan Ministries

METROPOLITAN MINISTRIES, NEW ORLEANS

The Methodist Inner City Council was organized in 1967, and Metropolitan Ministries became its successor in 1969. The agency was housed at Napoleon Avenue Church, then moved to 2208 St. Andrew in 1972.

The following goals were established:

- 1) To develop a strategy of mission in the metropolitan area to include evangelism, social services and social change agencies.
- 2) To develop conference wide coordination and funding for urban mission.
- 3) To motivate, strengthen and enable local indigenous expressions of the Church to engage in human and community development.

Metropolitan Ministries has a three-person staff, including a Director, a Secretary and a Community Organizer, and operated on a 1975 budget of \$22,658. There has been a close cooperative relationship with Peoples' Community Center in ministering to the needs of the whole person in the black community. Programs have been developed for persons eighteen through senior citizens.

Metropolitan Ministries has assisted the organization of a Day Care Center at John Wesley Church, operates a crafts program at the House of Detention, Parish Prison, provides a service to Milne Boys' Home in arts and crafts, participates in the Food Bank Program, is a member of the Urban Ministries Communication Network, interviews and refers persons for employment, and cooperates with social action groups including The Coalition for Human Dignity, The Coalition for Rapid Transit System, Urban League Voter Registration, Central City Community Development Program, Council on Housing and Community Development. Metropolitan Ministries secures volunteer chaperones for the female residents of the Methodist Home Hospital, and provides some emergency medical aid and housing.

Metropolitan Ministries is the pivot around which a Methodist Corner or complex can be established. One has to be present to appreciate the role the Agency plays as it contributes to the lives of the residents of the community.

SHREVEPORT METROPOLITAN MINISTRIES

The Shreveport Metropolitan Ministries came into being as a Mission dream stemming from a Methodist Concern by lay persons and clergymen on the Shreveport District. This outreach ministry emerged out of a strong commitment to witness to all of the people of God, even to people beyond the four cozy walls of the sanctuary. The blueprint for mission was set by the life and teachings of Jesus. In Luke 17:20-21 we find these words — "Being asked by the Pharisees when the Kingdom of God was coming, He answered them, the Kingdom of God is not coming with signs to be observed, nor will they say lo, here it is or there! For behold the Kingdom of God is in the midst of you."

The Shreveport Metro-Ministry has sought to witness for Christ by setting the following guidelines for action: A) To promote a better understanding between all people of God in the community; B) To contribute to the raising of the cultural standards and living conditions of all people of God; C) To encourage individuals and local churches to engage in a special ministry; D) To generally infuse into all of the activities a spirit of moral and spiritual values.

Since this program began in 1969 a team of concerned Christians have been witnessing for Christ in a variety of ministries. These ministries have consisted of Breakfast programs for underprivileged children, Inner City and Inter-Church sports programs, Metro-Ministry Emergency Assistance program, Day Care Centers, Neighborhood Center Programs, Cultural Enrichment programs, an Information and Referral Center, Workshops on Social Issues, and Work Camps.

During the past year the programs at our Day Care Centers have been upgraded as a result of the acquisition of needed educational resources and toys for pre-school children. The day care centers have been filled to their license capacities and we have a waiting list of potential clients. Additional staff persons have been added to the center's staff in order to meet these increasing demands.

The Director of Shreveport Metropolitan Ministries has been instrumental in establishing an ecumenical steering committee designed to strengthen lines of working relationships between Black United Methodists and members of the African Methodist Episcopal Church and members of the Christian Methodist Episcopal Church. During this past year the Director of Shreveport Metropolitan Ministries has also been working with leaders in various youth related organizations in the Shreveport-Bossier City area in order to establish a non-profit corporation designed to serve as a child advocacy agency, the main emphasis of which will be on the primary prevention of juvenile delinquency. This effort has the endorsement of the Mayors of Shreveport and Bossier City and also the local juvenile Judges. Metropolitan Ministries has also been utilized as a viable resource by the Shreveport Interdenominational Ministerial Alliance, Inc., Caddo Community Action Agency, Project Accept (An alcoholic outreach program), Shreveport District United Methodist Women, Local Churches, both United Methodists and non-Methodists. Metropolitan Ministries has increasingly been called upon to serve as a resource on specialized ministries by local churches outside of the Shreveport Area.

The Shreveport Metropolitan Ministries, along with the Louisiana Conference Youth Team, is sponsoring a Bicentennial Youth Tour to the United Nations, New York City, Philadelphia, Pa., and Washington, D. C. on June 25-July 4, 1976. Sunday School Classes, United Methodist Women and local churches are being asked to help co-sponsor underprivileged youth through scholarship assistance. The anticipated cost per person will be \$400.00 (transportation, housing, seminar fees, field trips, and food are included in this estimate). The tour will be led by Rev. James Graham, Director of Shreveport Metropolitan Ministries.

Metropolitan Ministries seeks increased financial support for its work through Advance Special Gifts. Mission oriented resource materials are mailed out periodically, and may be obtained by interested persons upon request.

Schools

SAGER-BROWN SCHOOL

Historically having been established in 1869 by the Freedman's Aid Bureau, Sager-Brown has, since that time, provided both education and home care for children and youth. At the present we are serving 120 boys and girls in the elementary school and a total of 22 boys and girls in our boarding facilities. Of the twenty-two who board, fourteen are boys, eight are girls, five of whom attend secondary school in the parish system. For fifteen of twenty-two Sager-Brown School is home — some long term, some short duration.

We, therefore, have a two-fold responsibility: (1) We must provide an educational program commensurate with that of the parish system, and (2) a home environment which closely duplicates any nuclear family.

In addition to reading, writing and arithmetic our school students are being taught relevant black history, not as a separate entity but an incorporate part of literature, social studies, math, science, etc. Art, music and physical education are also included in our curriculum.

As this is being prepared it is Lent. Daily the students go to chapel in our assembly hall. On the last Friday of each month Chapel services are held at Trinity United Methodist Church, with a local minister presiding. Our Lenten services will end with a Communion Service on Maunday Thursday. Religious Education is an integral part of our curriculum.

Spiritual, educational, emotional and cultural growth are our main emphases. In some we see such growth, and are pleased; but with others . . . well.

Board Of The Laity And Thousand Club

The Report of the Board of the Laity and the Report of the Conference Lay Leader, required by the Discipline, are both in this report.

There are no legislative items by the Board of the Laity to the Annual Conference.

This report is made in accordance with Paragraph 1051 of the Book of Discipline.

The Board of the Laity has its own particular programs and responsibilities which it has traditionally held over the years.

All of the Districts have held Retreats, Lay Schools of Theology, and Lay Speaking Schools either for themselves or in combination with other Districts.

Many have had District Banquets and Meetings in which they have attempted to emphasize the programs of the Board of the Laity and educate the Laity on the general program of United Methodism in the Louisiana Annual Conference.

These programs as well as the Howard Daughenbaugh Scholarship Program and other particular projects of the Board of the Laity continue to prosper.

There are two areas of the work of the Board of the Laity that are in a state of change.

First, is the Annual Retreat Program. This program is now sponsored by the Methodist Men of the Louisiana Annual Conference under the leadership of the Conference President Mr. Eloi Primeaux. That group has decided to change the location of the Retreat to see how this would do. In addition to changing its location there has been some change in the program and there has been a restriction of the Retreat to men. The initial effort last year, with Bishop Crutchfield as the speaker, was a great success. We hope that the same will be true this year. The speaker this year is Ken Carter and the Retreat will be held on the campus of Louisiana College on June 26th and 27th, 1976.

The second area of change is in the program of the 1000 Club. The 1000 Club realized several years ago that annual calls of \$10,000, three times a year, did not constitute a sufficient sum to really help continue our transitional church. The 1000 Club policy committee has therefore made the decision to increase each call to \$20,000. It has been anticipated this would take three to four years to accomplish. Under the leadership of Cecil Bland as Conference Director of the 1000 Club we are considerably ahead of schedule on this program. We anticipate that by next year we will have reached our goal.

The Board of the Laity continues to support the Lay Witness Mission Program and this program of the church continues to grow and prosper.

In addition, while it is not a project of the Board of the Laity, the Board has been giving special emphasis to the Disaster Relief Program under the Chairmanship of Hubert Blanchard.

The Board of the Laity continues to exercise its educational role in trying to acquaint the members of the board and the laity of the Conference as a whole with the whole program of the church and its institutions both in the Conference and out of the Conference.

This year we have had representatives of a number of institutions including Scarritt College and Perkins School of Theology to meet with the Board of the Laity for this purpose.

We have given particular emphasis this year to the work of the Louisiana Foundation. Dr. Clark, who has been appointed Executive Director of the Foundation, has met on several occasions with the Board of the Laity. The Board of the Laity has gone on record as strongly believing in and urging support of this Foundation. The Foundation is an important element for the growth of our church and for the preservation and the improvement of the institutions of the church. We pledge our continued support to this vital effort.

Respectfully submitted,
Tom H. Matheny

1000 CLUB REPORT:

The Appropriations Committee of the 1000 Club met Saturday, April 10. Applications from 10 churches and institutions were considered, some of which had been before the group for two or three times. The following were approved for 1976-77 Conference year:

First Call (Sept.-Oct.-Nov.)

Ivanhoe U.M.C., Lafayette District.

Second Call (Dec.-Jan.-Feb.)

Split Call: Arabi U.M.C. and Second U.M.C. New Orleans District.

Third Call (Mar.-Apr.-May)

North Slidell U.M.C. (New) Hammond District.

Each of these calls will receive \$20,000 to apply on their sanctuary building.

Since the increase from \$10,000 to \$20,000 per call, it has been difficult for the districts to increase the giving in their districts. All members of the churches in the Conference are urged to become members. The giving is the same as before: \$10 per call, three times a year.

Each church is urged to publicize the program among its membership.

Cecil E. Bland, Jr., Chairman

Report Of The Board Of The Ministry

This report is found in Section IV-2 of the Journal, the Condensed Business of the Annual Conference.

Board Of Pensions Report

A. Annuity Rate and Conference Pension's Apportionments

We recommend:

- (1) That the funded annuity rate for 1977 be continued at one (1%) percent of the average Conference salary as indicated in the most recent JOURNAL, less the annual cost incurred by the Board of each annuitants insurance premium, provided that the annuitants payment not thereby be reduced below \$90 per service year. (Average Salary: \$10,416).
- (2) That there be apportioned to the charges of the Louisiana Annual Conference the amount of \$700,000 pro-rated according to the Conference decimal. (Note: the \$90 annuity rate has been in effect since January 1, 1976).

- (3) The annuity rate shall continue at \$90 per service year; however, there shall be distributed to the present annuitants by the Conference Treasurer an additional \$10 per service year, beginning Jan. 1, 1977.

B. Minister's Reserve Pension Fund (MRPF)

- (1) We recommend that each minister personally contribute the equivalent of three (3%) percent of the average Conference salary to this fund.
- (2) If the minister desires to add to his personal account above the three (3%) percent indicated, he may do so:
 - (a) By depositing annually the equivalent of six (6%) percent of the average Conference salary to his personal account;
 - (b) By having his employer make direct deposits in a **tax-deferred annuity account**, in accordance with U. S. Federal Government regulations. Funds thus deposited in either account are currently drawing interest at six and one-half (6.5%) percent. (Further information concerning the tax-deferred deposit plan may be obtained by writing Dr. Robert J. Yunker, GENERAL BOARD OF PENSIONS, 1200 Davis Street, Evanston, Illinois 60201).
- (3) Any minister who was delinquent in his Pension Assessments prior to the Conference entry in MRPF will be charged five (5%) percent simple interest on the unpaid balance which, with accrued interest, will be withheld from his annuity upon retirement or earlier decease. (This is a continuation of the policy for the previous year.)
- (4) In the event that a church is delinquent in its apportioned pension payment, the amount shall be charged against the annuity account of its minister at the time of such delinquency and shall be deducted from his annuity claim at the time of his retirement or prior decease.
- (5) There shall be apportioned to each agency or institution served by a minister under Special Appointment with annuity claim upon the Conference the sum equivalent to twelve (12%) percent of the average Conference salary; and said apportionment shall be paid to the Conference Treasurer no later than December 31.

C. Lay Employees Reserve Pension Fund

Recognizing the need for an adequate program for Lay Employees of the local church and/or church related agencies and institutions we urge all such employees to adopt the Lay Employees Reserve Pension Fund, a program of the General Board of Pensions for full-time Lay Employees. (For further information, please contact the GENERAL BOARD OF PENSIONS, 1200 Davis Street, Evanston, Illinois 60201).

D. Hospitalization & Medical Expense (HMEP) & Death Benefit (DBP)

- (1) After a deductible of \$50 per year, per person covered, 80% of medical and physician's cost will be covered. After a deductible of \$50 per year, per person covered, the next \$500 cost of hospitalization (based upon semi-private room) will be paid in full.

- (2) Monthly premiums, beginning June 1, 1976, will be increased by 12.2% and the premiums (per month) will be as follows:

(a) Employee Only - Under 65	\$27.38
(b) Employee & Dependents - Under 65	87.86
(c) Dependent Children - Under 65	18.60
(d) Minister - With Children - Under 65	46.00
(e) Employee (Under 65) - Spouse (Over 65) and Dependent Children	56.30
(f) Employee Only - Over 65	10.32
(g) Employee & Dependents - Over 65	20.64
(h) Minister (Over 65) - Spouse (Under 65)	70.80
(i) Employee (Over 65) - Spouse (Over 65) and Dependent Children	39.24
(j) Spouse - Over 65	10.32
(k) Spouse - Under 65	60.48
(l) Widow Only - Over 65	10.32
(m) Widow Only - Under 65	40.94
(n) Widow (Under 65) - With Children	59.54
(o) Widow (Over 65) - With Children	28.92

NOTE: The recommended change reflects a savings on family coverage of \$3.68 per month (with smaller amounts in all other categories) over the 17% increase shown in the **Pre-Conference Report**. The more important reason for making the change, however, is the anticipated improvement in the claims experience (comparison of premiums paid to claims paid) which will make either for less premium increase in the future or perhaps a reduction of premium. We highly recommend the change.

- (3) All participants Over Age 65 must enroll in Medicare and Medicaid (where applicable) in order to obtain Conference HMEP benefits.

(4) Death Benefit:

- (a) **Minister:** The coverage for the minister under the DBP amounts to 225% of the average Conference salary up to age 47, the amount received at the minister's death decreases 7½% per year until age 68, or retirement. Thus, the DBP benefit will not decrease below 67½% until age 68. From age 68 to 72 the benefit becomes 60%. After retirement, it becomes 30% and remains thus.
- (b) **Spouse:** Coverage in the event of the death of a spouse (minister surviving) is the equivalent of fifteen (15%) percent of the average Conference salary. This applies to both active and retired ministers.
- (c) **Other Dependents:** Information concerning DBP provisions for children (educational) and for adult children (disability) may be obtained from the Conference Board of Pensions, Executive Secretary, P. O. Box 4303, Shreveport, Louisiana 71104.
- (d) **Cancellation of Insurance Coverage:**

When a member of the plan becomes in arrears on premium payment, in excess of two months, his policy will be cancelled; and he may only be reinstated at the discretion of the Executive Committee, after paying his amount in arrears, plus one (1) month's premium. He must also file a current medical

report with his payment (a member should be aware that such a current report might deprive him of coverage for certain existing ailments).

(e) **Recommendations:**

That the local church pay one-half and the minister pay one-half of the HMEP and DBP premiums. These premiums are to be paid monthly or quarterly in advance.

That our Board of Pensions reimburse (upon receipt of vouchers) the necessary moving expenses incurred by ministers when they retire, up to the maximum amount of \$600, and the moving expenses of surviving annuitant(s) (who must vacate a parsonage) of a minister who dies while in an effective, associate, or probationary relationship, and of a full-time Lay Pastor under appointment.

That each District Superintendent assume the responsibility of informing all new Conference appointees, in his district, relative the HMEP and DBP; further, that the District Superintendents assist them in the completion of applications for the desired participation in the program; and that the Chairman of the Board of Pensions be responsible for reminding the District Superintendents of their responsibility immediately subsequent to each session of the Annual Conference.

(f) **Annuitant's Housing Allowance, A RESOLUTION:**

WHEREAS, the rental value of a dwelling provided to a minister of the gospel is exempt from tax (IRS Code of 1954, Section 107, Reg. Paragraph 1.107-1,2) as a rental allowance to the extent that the allowance is used to rent or provide a home; and WHEREAS, a retired minister is provided a home directly, or through the annuity provided the minister in recognition of the minister's past services which were the duties of a minister of the gospel in his denomination.

BE IT RESOLVED, that a sum not exceeding \$3,600 of the minister's pension and/or other Conference designated provision for domicile is hereby declared by the Louisiana Annual Conference of the United Methodist Church as excluded under the above-cited IRS Code, from taxation to the extent that it is actually expended for rent, mortgage payments, interest, furnishings, utilities, tax, insurance, repairs and maintenance, and in any other manner as directly related to the provision of a residence for said person or persons.

NOTE: IRS has ruled (Rev. Ruling 71-280, 1971) that in the event of a house purchase, only a fair rental value of the purchased house, plus utilities may be excluded.

E. Other Matters

- (1) **Correction of Annuity Years:** Additional credit is granted as follows: John J. Miller, 1.25 years; Raymond Pierson, 2 years. Annuity credit for service in 1975-76 is granted for the following: J. C. Skinner, .25 year; J. David Arnold, .25 year; Robert B. Crichlow, Jr., .75 year.

Disability Leave annuity credit granted at the 1975 Conference session for J. C. Wallace (1975-76) is rescinded, his benefit having been terminated effective May 31, 1975 under Par. 132a, "Pension and Benefit Rules and Regulations" revised January 1, 1976.

Douglas T. Williams is granted annuity credit in the Conference program ("On the Conference") for two years, 1974-75 and 1975-76, subject to the payment of 12% of the average conference salary for these two years by the institution to which he is appointed.

Malcolm E. Finnell is granted annuity on the Conference for 1975-76, the institution to which he is appointed having already paid 12%.

- (2) **Annuity credit is granted for Full-Time Lay Pastors** during the past year: Homer V. Bailes, Donald A. Barrie, Daniel M. Grove, William G. Davis, Eddie Morgan, Robert L. Norwood, Marshall C. Paine, J. Monroe Wilkes, Clinton Jordan, Joe D. Solomon, H. Austin Smith, Robert F. Honaker, Troy Edward Boyd, Robert M. Horne.

The following full-time lay pastors, upon a three-fourth vote of the Conference, since their total remuneration from church sources did not reach the minimum salary requirement are granted annuity credit during the past year: Louis Augustine, Joe Brown, Jr. and George D. Anders.

- (3) **Disability Leave Benefits** are continued for: Dana Dawson, Jr., Willie R. Lafayette, S. Alvin Mayo, Fred A. Mead, Lewis E. Milem and Collins D. Pinkard. **D.L.B. discontinued** for: John F. Kellog, Lester N. Nance, Clyde Tishaw, William B. Shaw, Jefferson C. Wallace, Thomas R. Wallace.
- (4) **Pension Benefits** are continued for the following adult dependents of surviving spouses: Robert Ezell (Mrs. Harry E. Ezell, mother); Beulah Deen Irving (Mrs. William R. Irving, mother).
- (5) The Board of Pensions will be responsible for the meals at Annual Conference for ministers on Disability Leave and/or their spouses, and for Retired ministers and/or their spouses.

Report Of The Board Of Trustees

REPORT NO. 1

During this Conference year, the Board of Trustees has faithfully carried out all mandates given to it by the Louisiana Annual Conference with certain abandoned properties being either leased or sold to interested parties. Details of these transactions will be given in Report No. 2.

Our Board wishes to commend our Bishop, District Superintendents, and District Boards of Church Location and Buildings in exercising caution and hesitancy in disposing of valuable church properties in their respective districts. For the first time in several years we are not recommending the abandonment of any church properties.

The chairman of the Episcopal Residence Committee, Allen Brown, reports that the residence is in good condition and that the housing needs of our Bishop and his wife are adequately met by this Conference. The residence is now in its 13th year and funds for repair and upkeep are most adequate, being derived from an Episcopal Fund housing allowance and also from the Conference Administration Fund. Monies for the episcopal residence are handled by our Conference Treasurer and an annual audit is included in the audit of our Treasurer's books.

We are pleased that the Louisiana Methodist Foundation has now been incorporated and that it will begin its work on June 1, 1976.

A financial statement of all funds received and disbursed by the Board of Trustees during the past administrative year is attached and made a part of this report.

Respectfully submitted,
Benedict A. Galloway, President
W. D. Cotton, Secretary-Treasurer

REPORT NO. 2

This report supplements Report No. 1 in order to inform the Conference of the matters disposed of since the Annual Conference of 1975.

1. **ESTATE OF MRS. NELL PARKER STIPE** — We are pleased to report that the legacy left by Mrs. Stipe was transferred to the Conference Board of Trustees by Judgment of the 19th Judicial District Court for the Parish of East Baton Rouge, on September 19, 1975, and on October 14, 1975, pursuant to the direction of this Annual Conference, your Board of Trustees conveyed the title to the property to the Board of Pensions of the Louisiana Annual Conference — which deed has been filed for record and title to this valuable property now reposes in the Board of Pensions. We are grateful to the Reverend Roy E. Mouser, Chairman of the Board of Pensions and Reverend James L. Adams, President of the Retired Ministers Homes, Inc., for their cooperation and working out the details of the bequest made by Mrs. Stipe.
2. In accordance with the direction of the Annual Conference of 1975, the William Pike Hall property situated in Caddo Parish was conveyed, with no monetary consideration, in compliance with the obligation of the church to reconvey the property to the donor, their heirs and assigns, by virtue of a reversionary clause contained in the deed.
3. The property formerly belonging to the Methodist Protestant Church in Grant Parish, not having been used for many years, and having no buildings thereon, The Annual Conference of 1975 authorized the sale of the property by the Board of Trustees, and in accordance with this authorization, the property was sold to Mr. James E. Smith, Jr. for the sum of \$800.00 and the proceeds thereof was equally divided between the Liberty Chapel United Methodist Church and the Pollock United Methodist Church of the Alexandria District.
4. By resolution No. 4 of 1975, this Annual Conference authorized the reconveyance of certain property donated by William Pike Hall to the Methodist Episcopal Church, Alden Bridge Circuit, Shreveport District, in Caddo Parish, Louisiana, without consideration,

in view of the reversionary clause contained in the donation to the church. This deed has been executed.

5. The Conference of 1975 authorized the transfer of two acres of land formerly belonging to the Mt. Zion Methodist Church heretofore abandoned, to the Mt. Zion Cemetery Association. However, no deed has yet been presented for execution.
6. This has, indeed, been a very quiet and inactive year for The Board of Trustees. We are glad to note that no request for abandonment of any church property has been presented to us this administrative year. This is in conformity with the recommendation we made to the district superintendents last year that abandonment of these should be critically examined, and not granted unless it be conclusively shown that there is no possibility of future use of the property in the foreseeable future.

A finance report of the committee for the past year is attached as Report No. 3.

Respectfully submitted,
Benedict A. Galloway, President
W. D. Cotton, Secretary-Treasurer

C. REPORTS OF COMMISSIONS Commission On Archives And History

The Commission is pleased to report significant developments at both of our Conference archival depositories. At the Centenary College archives, the Commission's new microfilming equipment has been installed and is now in use. As a result of a grant from the Shreveport-Bossier Foundation, a major expansion of the Cline Room, which houses the archives, is to be undertaken during the summer of 1976, and the completion of this project will provide badly needed additional space. In cooperation with the Centenary Library, the

Commission has secured the services of a part-time archivist who is rendering valuable research, filing and cataloging services. Valuable additions to the archival collection housed at the Alexander Library at Dillard University have been secured this year, and a dedication service was held in April for these materials.

We request that any persons having historical records which may be of value in helping to provide a complete chronicle of the story of Methodism in Louisiana deposit these in one of our Conference Archives. Especially needed are materials relating to former Conference "B" — its agencies and local churches, and the work of the Methodist Episcopal Church and the Methodist Protestant Church in Louisiana. Such materials will be gratefully received, acknowledged and preserved, in keeping with the "Archival Policy" printed in the 1975 Journal.

Limited research services are available through the archivist at the Conference Archives at Centenary. Requests for information should be directed to: Louisiana Conference Archives, Centenary College, Shreveport, Louisiana 71104.

We remind the various agencies of our Annual Conference that copies of their minutes and other records of possible historic value are — by direction of the Discipline — to be deposited with the Archives.

The Commission has requested that a District Historian be named in each District, and has established Guidelines for their work.

During the coming year, the Commission plans to conduct a History Workshop for the District Historians and other persons with similar responsibilities in local churches who may wish to attend.

Certification of the grave of Richmond Nolley as a Methodist Historical Site will be completed soon, and a special service will be held as soon as possible thereafter.

The Commission has developed a plan for the identification, accreditation and marking of sites of historic significance to Louisiana Methodism. Materials for this purpose will be available at Annual Conference. Presentation of the first site markers for accredited sites will be made at Annual Conference, 1977.

We urge the appropriate observance of May 23, 1976 as Heritage Sunday, and of July 4, 1976 as Bicentennial Sunday.

The major project of the Commission is the publication — hopefully during the 1979-80 conference year — of a new and definitive **History of Louisiana Methodism**. To this end, the Commission has secured Dr. Walter M. Lowrey as author, and has established an Editorial Committee to guide this important project.

Inasmuch as we — with all those who have gone before us — have helped to make this history, we now call upon all United Methodists in Louisiana to share in this task. Before the writing begins, there is much research to be done, which can be greatly enriched by additional historical material not now available to us. We call upon our people to help us find this material. Some will wish to contribute to the pre-publication costs of the project, and the Commission will welcome such gifts. And upon publication, every local church, every minister, and many Methodists grateful for their heritage will want to have a copy in their libraries.

We therefore request that — with the adoption of this report — the Annual Conference formally endorse the Commission's proposed publication of a new **History of Louisiana Methodism**, and urge every local church to deposit with the Archives a copy of its history or a completed historical questionnaire by May 1, 1977.

RESOLUTION

Resolved: That the Louisiana Annual Conference endorse the proposal of the Commission on Archives and History for the publication of a new **History of Louisiana Methodism**, and authorize the Commission, by and for itself and without any financial obligation upon the Louisiana Annual Conference, to solicit gifts, enter into contracts with the author and printer/publisher, arrange for sale and distribution, and engage in other appropriate and necessary activities related to the project.

Commission On Equitable Salaries

We, your Commission on Equitable Salaries (hereinafter referred to as the Commission), express our appreciation for your continued support of the Equitable Salary Funds. These funds have rendered invaluable service to both pastors and charges.

The effective function of our Commission has been made possible by the cooperation and assistance of the Cabinet and the prompt manner in which the men involved have supplied necessary information. This we greatly appreciate and we also sincerely commend the efficient manner in which our Conference Treasurer, Dr. Leonard Cooke, has managed the funds of this Commission.

I. THE EQUITABLE SALARY FUND

According to paragraph 924 of the 1972 Discipline the Commission is charged with the responsibility of studying the need for additional ministerial support for ministers of our conference and to make recommendations on how these needs will be met. The equitable salary fund is to be used in addition to other supplemental aid or income from other sources to bring the earned salary of a minister to the minimum salaries schedule set by the Conference. We feel our endeavor should be to promote more fairly the economic welfare of all pastors and reduce to a minimum the tensions inherent in inadequate incomes. In accordance with provisions of the 1972 Discipline, paragraph 924, we, your Commission make the following recommendations which include several changes from the equitable salaries schedule and policies of last conference year. These changes come as recommendations made to the Commission from a special study committee. This committee did considerable research and spent considerable time at arriving at these recommendations which the Commission adopted and are presenting for the approval of the conference.

A. The basic minimum salaries schedule for the Louisiana Conference for 1976-77 be as follows:

- | | |
|--|------------|
| 1. Student pastor without dependents | \$3,800.00 |
| 2. Married student pastor | 4,800.00 |
| 3. Full-time pastor without dependents | 5,100.00 |
| 4. Married full-time pastor | 5,900.00 |
| 5. Part-time Lay pastor | 4,800.00 |

a. The total support from the charge plus income from any outside employment must be considered in making a minimum salary grant to a part-time Lay pastor.

6. Retired minister serving a charge 4,400.00

a. The total support from the charge plus pension and/or social security and other income must be considered in making a minimum salary grant to a retired minister serving a charge.

7. Additional grants not to exceed \$1,600.00 will be approved based on \$400.00 per additional church and/or \$400.00 per dependent child.

B. That annual grants approved by the Commission shall be paid in monthly installments on the basis of funds available at the beginning of the Conference year, and in the event of insufficient funds, appropriations shall be made on a pro-rata basis.

C. That, in computing equitable salary grants, the total earned income plus any mission support of the ministers shall be considered. Ministers receiving supplemental support from the Equitable Salary Fund are required to report immediately any change in total earned income. In the absence of notification by the minister, overpayments become a refundable obligation of the minister to the Equitable Salary Fund.

D. The amount to be provided by the Commission for a pastoral charge will be an amount not to exceed 30% of a minister's salary, automobile expense, utility expense

allowance by the charge. Additional grants specified in A-7 may be made in addition to the 30% limitation.

- E. The pastors of charges paying less than \$2,400.00 in salary and expense funds shall not be permitted to share in the Equitable Salary Fund except on recommendation of the Cabinet and concurrence by the Executive Committee of the Commission.
- F. That each church or charge receiving equitable salary support is expected to have an Every Member Canvass and strive to increase the pastor's support by 5%.
- G. In order for a church or charge to be eligible for equitable salary support, the church or charge must pay the ministerial items (Episcopal Fund, District Superintendents Fund, Pension Fund, and Equitable Salary Fund) in the amount apportioned by the Conference Commission on World Service and Finance and also each church or charge receiving minimum salary support is expected to strive to pay the apportioned amount for World Service and Conference Benevolences.
- H. At the earliest opportunity after the adjournment of Conference, each District Superintendent shall furnish the secretary of the Commission a list of ministers in his district receiving less than \$7,500.00.
- I. That each pastor named by the District Superintendent shall be supplied a questionnaire which must be properly filled out and returned to the Secretary of the Commission, Rev. Don Risinger, before payments may be authorized.
- J. That out of the Equitable Salary Fund, the Commission on Equitable Salaries pay one half of the minister's responsibility for the minister's premium to Conference Insurance for all full-time pastors or student pastors receiving less than \$2,800.00 total income.

Commission On Higher Education

The Commission on Higher Education of the Louisiana Conference of The United Methodist Church has as its principal responsibility the nurture, interpretation, and conference wide funding of the Church's ministry in institutions of higher learning throughout our Conference. This ministry is conducted through ten full-time campus ministry programs, eight part-time programs, and two full-time institutional chaplaincy programs. The campus ministry program of the Louisiana Conference stands as one of the most comprehensive such programs in all of United Methodism, a fact the Commission on Higher Education is pleased to note. The commission relates as well to the programs of Centenary College and Dillard University as an agency of interpretation and support.

The Commission on Higher Education nurtures the ministry of the Church in universities and colleges across the Conference. The commission encourages campus ministers to seek out and to participate in regional/national continuing education and conference experiences which enlarge their vision of ministry in higher education and which add to their skills as effective professional ministers. The commission has provided financial aid to aid eight of Louisiana's Methodist campus ministers participate in the Second National Campus Ministry Conference held in August 1975 at The University of Colorado in Boulder. One of our campus ministers is currently consultant to the forthcoming United Methodist Consultation on the Campus Ministry preceding General Conference this Spring. The Commission has made available limited expense funds to any Louisiana Conference delegate to General Conference interested in attending this Convocation.

The Commission on Higher Education interprets the Church's concern for creative ministry in institutions of higher learning. Commission members serve as advisors to local and district programs in campus ministry. Campus ministers are encouraged to seek opportunities to resource local and district programs in young adult ministry, theological studies, and pastoral counseling. The commission recognizes that ministry in higher education involves not only the campus minister working with students but working as well with concerned Christian faculty, administrators, local pastors and other church leaders.

The Commission on Higher Education assists in funding full time and part time programs

in higher education ministry through a series of campus ministry grants to local units. The District remains, however, the principal source of funding for campus ministry programming. The Commission affirms the cooperative spirit present between the conference program and local district programs. The Commission recognizes that the campus minister, the local pastor, Board of Director members, and the District Superintendent are key persons in developing and fostering this spirit of cooperation and enabling effective interpretation.

As the Commission looks toward the future several concerns will, doubtless, mark our deliberations. Among them are the composition and tenure of campus ministry Boards of Directors, the complex question of the meaning and practice of "accountability" in the Church's ministry, the ever present need for increasing revenues for programming, and policy questions of the Commission's role in overseeing established ministries and developing and/or approving new ministries.

The Commission on Higher Education presents to the Louisiana Annual Conference and seeks approval of the following recommendations:

1. The Commission recommends an increase in the per member district asking for campus ministry programming from \$1.50 per member per year to \$2.00 per member per year. The Commission recognizes that this increased asking has been in effect for some time in some districts. The Commission is also aware that this increase does not adequately adjust District budgets to account for the effects of inflation in recent years.
2. In the interest of assisting all persons involved in the Church's ministry in higher education seeking the highest degree of stewardship of limited resources, The Commission on Higher Education recommends that all funds for campus ministry at conference, District, and local unit levels be reported by annual audit at each level and that this information be made available at the close of each fiscal year to the Commission on Higher Education and to the Conference Treasurer. This will greatly facilitate the work of this Commission.

1975 has been a year of superior programming in The United Methodist programs of campus ministry throughout Louisiana. Student, faculty, and local church congregational involvement in ministries in higher education continues to increase. The issues which concern the Church in the setting of higher learning continue to be discussed and acted upon in creative and challenging forms and styles. The Commission on Higher Education commends to the Louisiana Annual Conference of The United Methodist Church the task of critical understanding and support for our common ministry as The Church in higher education.

Respectfully submitted,
William H. Patrick, Jr., Chairman,
Commission on Higher Education

INSTITUTIONS AND MINISTRIES RELATED TO THE COMMISSION ON HIGHER EDUCATION Report On The Campus Ministry Program Of The Louisiana Conference

The ministry of The United Methodist Church in Louisiana higher education is expressed in a variety of shapes and forms. Principal among these is **campus ministry**. Through its districts and local congregations our Conference supports full time campus ministry programs in the Wesley tradition at ten of our State public institutions of higher learning and part time ministries at seven additional public campuses. The United Methodist church-related campuses of Centenary College and Dillard University are each served by full time United Methodist chaplains.

Across our Conference campus ministers and the Christian communities which gather around them make valuable and unique contributions to the life of the universities and

colleges in which they serve. Programming in campus ministry is necessarily tailored by each campus ministry unit to meet the demands and needs of a particular campus, much in the same way programming in local congregations focuses on specific congregational challenges. This accounts for the wide variety of alternatives within campus ministry as a whole in our Conference. One campus minister may utilize his interest and skills in the arts to communicate with students and faculty the liveliness of Christ's Gospel. Another may conduct programs calling local students to respond in openness and Christian love to international students studying in their university. Another campus minister may address through his ministry the emerging issues, questions and challenges of medical education or legal education. Other campus ministers may in their work in primarily Black contexts deal with the opportunities of religious life and cultural patterns in that setting. But for all the unique variations of ministry in Louisiana United Methodist tradition, much unites campus ministry programming and calls us together to affirm a common witness in the name of Christ. On each campus across our Conference, campus ministers celebrate a witness to Christ's Good News through ministries of Christian worship, the sacraments, and community building with students and faculty; through ministries of outreach and community/church service; through ministries of pastoral care and counseling; through ministries of spiritual contemplation and theological enquiry.

But campus ministers and the communities of students and faculty which gather around them are not the only "ministers" in higher education across our Conference. Each campus ministry unit is supervised by a Board of Directors. In our Conference more than two hundred and fifty persons — lay and clerical, men and women, members of local congregations all — lend support and encouragement to that enterprise of the Church known as campus ministry. We who minister as professionals in the setting of higher education understand full well the unselfish commitment of these creative co-workers who give their time and energy as Boards of Directors.

Campus ministry is alive and worth supporting in our Conference. Campus ministry makes a difference — a difference in the lives of individual students, in the life of university communities as a whole, in the lives of faculty persons, and in the lives of local church congregations. In campus ministry today can be seen the Church's tomorrow — young adult students, social and theological issues, demanding challenges, opportunities to engage society with Christ's message of liberation and responsibility.

Centenary College

Centenary College began her 151st academic year with another significant increase in enrollment — for a total of 847 students last fall. Morale has been very high this entire year as evidenced by the loss of only 18 students in the spring semester. This small attrition rate may have set a record and portends well for the future growth of the College.

There have been several sizable gifts to the College endowment fund in the last year, and we are particularly pleased with the gift of \$400,000 to establish the T. L. James Chair of Religion. This gift is of particular significance in the light of our expanded new program in church careers. The church careers program continues to grow both in numbers and quality. We are adding another distinguished professor to our religion faculty this fall, with expertise in the area of religious education. We hope that local churches and individual laity of our Church will go the second mile in their support of Centenary and find ways to provide scholarship aid to these deserving students. I personally invite your inquiries as to how you might help strengthen this exciting new program which will mean so much to our local congregations.

Several other academic areas have also been expanded, especially business and education where graduate programs are being launched this coming fall. New undergraduate programs being initiated this coming year are those in public administration

and journalism. We are also proud of a substantial grant which will enable us to equip our new biochemistry laboratory, thus expanding our activity in the sciences.

Under a grant from the Frost Foundation, Centenary sponsored its first national conference on the future of the free-enterprise system. It has already been acclaimed as one of the finest events ever sponsored by the College, and plans are already underway for the second conference next year.

Another significant event this year was the opening of the Meadows Museum of Art. It is one of the finest museums in the South, and we invite you to visit it while attending the session of the Annual Conference.

We deeply appreciate the fine leadership of Bishop Crutchfield on behalf of Centenary. He continues to support the College in so many ways, as recently evidenced in the new student recruitment program that will be conducted in and through the local churches of our Conference. You will be hearing more about this in the months ahead, and we look forward to your cooperation.

Finally, Centenary is grateful for the continued financial support of Louisiana Methodism, and we urge your full participation in the \$200,000 Centenary College Fund each year. I feel a deep sense of gratitude to all of you whose loyalty and generosity have meant so much to the continuing excellence and vitality of our great College. No better investment in tomorrow can be made.

John H. Allen, President

Dillard University

Dillard University's roots go back to 1869, the year in which both Straight University, later renamed Straight College, and the Union Normal School, subsequently renamed New Orleans University, were founded. These two institutions merged in 1930 to form Dillard.

Straight College was founded and operated by the American Missionary Association of the Congregational Church, and New Orleans University by the Freedman's Aid Society of the Methodist Episcopal Church. Dillard continues to maintain an organic relationship with the Congregational and Christian Churches and The United Methodist Church, as they are now known.

In September, 1935, with a new physical plant located on a 62-acre site in one of the city's loveliest residential sections, Dillard University began instruction. The University was named in honor of Dr. James Hardy Dillard, whose distinguished service in the education of Negroes in the South forms an important chapter in the history of American education. It was Dr. Dillard who suggested the University motto: "Ex Fide Fortis" (From Confidence, Courage).

A liberal arts, coeducational undergraduate institution, Dillard's campus now includes 19 buildings; the faculty numbers about 100; the student body averages 1,200.

Another sign of Dillard's quality can be found in the many areas of education it has pioneered.

In 1935, Dillard introduced the first undergraduate general education curriculum in the South. Dillard was the first college in Louisiana to offer a nationally-accredited collegiate program in nursing and was among the first in the nation to establish an intensive eight-week Prefreshman Program aimed at helping incoming freshmen improve in the four areas of language skills. Dillard was also the originator of the concept of the Upward Bound Program, whose goal is to prepare promising but underachieving high school students for college.

Dillard and its predecessors have graduated about 4,900 persons who have joined their respective communities, occupying a wide variety of professional positions, functioning through numerous cultural, religious and service organizations as responsible citizens.

On January 1, 1975, Dr. Samuel DuBois Cook, a former professor of political science at Duke University with an outstanding record as a teacher, scholar, educator and administrator, assumed office as the sixth president of Dillard.

In keeping with his theme of academic excellence and social relevance, Dillard began its Community Leadership Forums aimed at examining black leadership in New Orleans, and dealing with problems and issues affecting blacks in this city. Another program, designed to increase the vocabulary and communications skills of students was begun.

Last year also saw an increase in enrollment to 1212; the creation of an office of administration and planning; and the expansion of the sports program to include a woman's varsity basketball team. A full-time coordinator was hired to oversee the Title III program, and additional faculty in economics, psychology, education, and other areas were hired.

Commission On The Louisiana United Methodist

The Commissioners of The Louisiana United Methodist met Thursday, October 9, 1975 at The First United Methodist Church in Alexandria. The following recommendations were made:

1. Even though there would be an increase in the cost of printing The Louisiana United Methodist, that every effort be made to absorb this without increasing the individual subscription rates. The price would remain at \$3.00 for individual subscriptions and \$2.50 for "every family plan" subscriptions.
2. Ask the CFA for the same amount (\$2,400.00) for office expense as requested last year.
3. The date for the subscription campaign was scheduled for January 18 through February 15, allowing five Sundays for promotion.
4. The goal of the campaign was set at 12,000 "paid" subscriptions, exclusive of the local church editions.

A campaign conducted from the office of the Area Provost on January 18 through February 15, 1976, culminated in 8,609 "paid" subscriptions. At the present time there are seven churches in the Conference which use the UMR facilities to print their local church editions. The seven local church editions total 4,876. Altogether, The Louisiana United Methodist has a circulation of 13,485. This is an increase of 663 over 1975.

Financial records for the period January 1, 1975 through December 31, 1975 are as follows:

The commission on The Louisiana United Methodist recommends that each church include the subscription cost of the paper in its budget for all resident families. The members of the Commission join me in recognizing the outstanding contributions made to The

Louisiana United Methodist by the late Reverend Robert H. Jamieson. We express our gratitude to Mrs. Thelma Brett for the excellent work she is doing in providing us with a superb Conference paper.

The Commission on Religion and Race

The Louisiana Conference Commission on Religion and Race reports the following activities during the Conference Year, 1975.

1. As a result of The Conference Workshop on Religion and Race (1974) workshops were held on The New Orleans and Lake Charles Districts. Reports from both Districts indicate successful response and some positive "Carry-over."

Other Districts reported equitable involvement of Ethnic on all Boards, Committees, etc., with many serving in positions of Leadership.

2. Two Ministers attended the SCJ Workshop on Religion and Race at Mt. Sequoyah in July 1975 . . . The Rev. Nathaniel P. Perry, Pastor Newman United Methodist Church, Alexandria and The Rev. Richard Hebert, Pastor Metairie-St. Mark's, Metairie. This proved to be an informative and exhilarating experience.

Points stressed in their report:

- a. The Multi-racial reality of our Conference
 - b. The allocation of sufficient funds for the work of The Commission
 - c. Areas of priority in which The General Commission can assist Annual Conference Commission
3. Promoted: Human Relations Day and The Black College Fund
 4. Evaluated Conference Projects requesting Funding
 5. Participated in The Consultation on Ethnic Minorities, Erlanger, Ky.
 6. Held two Meetings of The Commission (Alexandria) apart from Convocation of Boards, etc.
 7. Recommendations: We, your Commission on Religion and Race make the following recommendations:
 1. That Black and White Ministers of this Conference and their families begin dialogue, fellowship, etc. on an informal basis for support, encouragement, understanding, etc. (Could be Ecumenical)
 2. That they (Ministers) encourage (on a limited basis) Local Church families representative of Majority and Minority races, "Cross-Congregational" fellowship, dialogue, etc.

"Positive Race Relations" do not "Just Happen." They must be the concern OF ALL OF US.

Report Of The Committee On Courtesy

Each person participating has made his or her personal contribution to this session of our Louisiana Annual Conference. It is not feasible to recognize each delegate by name, but we must express our deep appreciation to our host district superintendent, Carl Lueg, who is chairman of conference arrangements, and to Ray Branton and his Council on Ministries staff and these secretaries for their extraordinary efforts.

We express sincere gratitude to the President, trustees and staff of Centenary College for graciously providing these excellent facilities and special thanks to these custodians who have been patient in giving attention to our needs, and Rev. Finnell for devoted attention to housing.

We thank First United Methodist Church for hosting the opening session and service of ordination.

Again we are indebted to Mrs. G. M. Andersen and her pages for efficiently channeled messages to all concerned. Neither do we take for granted the ladies of the Shreveport churches who have handled the registration.

The lobby display by Mrs. John Koelemay on the History of Methodism in America on Parade enhanced our sense of history.

We thank officer Shelton whose warm smile lifted our spirits as he made sure we made it across the Kings Highway.

Our Conference has been enriched by the meaningful Memorial address by J. P. McKeithen and by the dynamic way our special guest, Dr. J. Chess Lovern, lifted up Christ.

The report from the Chairman of the Cabinet, the early morning worship services; the representatives from our National Boards, the Methodist Reporter and our Theological Schools; and the presence of the chaplains who traveled great distances to be with us added immeasurably to our sessions.

To G. Leon Netterville and Mrs. Jimmie P. Owen, Sr. we are indebted for the Bicentennial Night Celebration with its dramatic presentations and special visits from the University United Methodist Church Chapel Choir of B. R. which lifted our hearts with "Celebrate Life" and the Wesley United Methodist Choir of Baton Rouge for stirring our souls.

Our thanks also go to those who provided additional music including Dr. William Teague, the Wesley Choir of Mansfield, Mike Mooney, and St. Paul's Choir of Jeanerette.

Our appreciation goes to Broadmoor United Methodist Church for hosting the Parsonettes Luncheon, to the Lake Charles District for providing the delightful program and to the Shreveport District Parsonette for hosting the tea honoring Mrs. Crutchfield.

We are indebted to our Bishop's wife who, in addition to several special activities, has graced so many of our sessions with her presence . . . (Each parsonage wife shares her husband with his work as does each laywoman, but I do not know of any who must share her husband more in the Lord's work than our Bishop's wife).

Visits from Dr. and Mrs. Sagar of Delhi, India, Dr. and Mrs. Carlos Welch of Valore, India and Dr. Pendraza of Mexico remind us that all the world is our parish.

We are thankful not only for the telegrams from Bishop King and others, but for their prayers which undergird us daily.

There is really no adequate way to express appreciation to our Bishop who through his teaching ministry, warm Christian spirit and personal touch has caused us to know that each person here matters. We simply say: our love and gratitude will go on and on.

To be grateful this day for each of these is **good**, but **even better** is to **thank GOD** that we can serve our Lord, Jesus Christ, with our brothers and sisters in the United Methodist Church.

WHEREAS, our Bill of Rights firmly establishes freedom of speech, worship, assembly and all those principles we hold dear, except the right of a man or woman to hold a job free from the domination of a labor union and the forced tribute it requires, and

BE IT RESOLVED by the Louisiana Annual Conference of the United Methodist Church in its Sixth session at Shreveport, Louisiana on June 4, 1976, that we do endorse the movement for a right-to-work law in the State of Louisiana, as evidence of our belief in every man's right to life, liberty and the pursuit of happiness within the framework of Christian ethics, that we inform the state legislature of our position, and that we urge every United Methodist in Louisiana to contact his or her legislators about the right-to-work legislation.

Upon recommendation of the Commission on Equitable Salaries and vote of the 1975 Annual Conference, the Ministers' Emergency Aid Fund (formerly the Sustentation Fund) was placed under the direction and authority of the Cabinet.

Report Of The United Methodist Foundation

I have the honor this morning of reporting on The United Methodist Foundation of Louisiana, the newest and most thrilling adventure of the Louisiana Conference this year. Last year, the Annual Conference authorized the organization of the Foundation. The Bishop, the Cabinet, and many dedicated lay persons throughout the state, have worked during the year to carry out the mandate of the Conference. The Foundation became a legal entity on November 17th, 1975, when the official papers were signed. We are now a fully tax exempt charitable Foundation. Thirty-six Trustees, who are outstanding leaders in the business and professional community of our state, have been nominated and elected at this session of the Conference.

The Foundation exists for the purpose of encouraging our Methodist members and constituents in Louisiana to make wills, special gifts, both large and small, to the Foundation or some Conference institution. We will assist persons who desire it, to establish Trust funds, annuities, or make life insurance policies in favor of the Foundation. The Foundation is prepared to receive any sort of gifts, such as stocks and bonds, real estate, or other negotiable property. All of the profits made will be used for the benefit of Conference institutions. The cost of operating the Foundation is paid for by the Annual Conference.

The greatest thing about the beginning of the Foundation is that thousands of loyal Methodists throughout the state have already had a part in this historic venture in the gifts they have made through the distribution of the Bi-Centennial Medallions. The list of congregations who have responded nobly to this new enterprise is too lengthy to mention here. Some who have an outstanding record have already been named in the Louisiana Methodist, and many more will be mentioned in later editions. There are congregations in the state who gave as much as \$10 per member to the Foundation on Heritage Sunday. The amount of money raised is great, but the spirit of stewardship and interest on the part of so many is inspiring and promises a great future for the Foundation.

Let me just list for you ten services the Foundation is prepared to offer.

1. It can point the way to an exciting stewardship whereby you can extend the influence of your life far beyond your earthly years.
2. It can assist you in making your will and enable you to accomplish and continue the great and noble purposes you have in mind for your life.
3. It can show you how to make sizable charitable gifts, and effect for you, great savings in tax dollars.
4. It can provide a way for you to make a magnificent gift to the Foundation through a life insurance policy, which will be of minor cost to you, but a great benefit to the Foundation.
5. It can acquaint you with various trust agreements by which you can receive a favorable life income from your holdings and considerable tax savings.
6. It can assist you in planning your estate with no cost or obligation to you.
7. Through money management seminars which will be conducted in various parts of the state, it can enable you to more efficiently manage your own resources and increase your income.
8. Through a top flight investment committee which we now have, it can relieve you of the responsibility of managing your accumulated resources and pay you a favorable life time income. It is also prepared to manage funds for local churches and conference institutions and enable them to realize a better income and a more secure future for their resources.
9. It can show you how to so arrange your bequests that there will be great tax savings. It is prepared to act as the Executor of your estate.
10. The Foundation Director can be your confidential friend and advisor in helping you to accomplish your goals as you plan a greater future for your accumulated resources.

The success of the Foundation will depend largely upon the leading lay people and the pastors of our churches. My expectation is to be in at least fifty of the leading churches in this state this year. I will come as a preacher of the gospel of stewardship. I'm open for Sunday morning preaching engagements. I prefer to be there when the pastor is present. I'm not a filler-in for vacation time. The format will be that I will preach at your worship service, on your invitation, and I would like to meet informally with the members of your adult Sunday school classes, all in one group to present the Foundation and answer any questions they may have.

I am in process of perfecting a most appealing Family Night Program with the use of the excellent film, "The Bend of the River," in which Willard Waterman is the star. As you know, he won his fame on the Fibber McGee and Molly radio program. This is a color film. I will also have the filmstrip, "Mr. Average Makes A Will." I would like the invitation to come to your churches for this informal time with members of your congregation.

This morning, in this great Conference, if I should ask for a show of hands of those of you who have made wills, do you know what I would find? According to a national survey, I would find that only 56% of the pastors have made wills; I would find that only 44% of the

laity have made wills. I would discover also that 75% of the ministers who have wills, have left nothing to the church which they have served all their lives. And what is more surprising, I would discover that only 15% of the laity have remembered the church in their wills. Yet, they have loved and served the church all their lives. The fulfillment of God's will may depend upon the will you will make. Today, the church is called upon to provide a multiple ministry in worship, in education, in caring for children, youth, the aged, and handicapped persons. You can help by your support of the Foundation. To make resources available through the United Methodist Foundation of Louisiana, is one of the greatest challenges of christian stewardship today. You can help realize God's will today and in all the years to come by remembering your church and its institutions in your will.

You know Jesus, the Son of God, had a will. He said in John 4:34 — "My meet is to do the will of Him that sent me and to finish His work." The work of God the Father was not finished when Jesus gave up his life on the cross; it had only begun. His stewardship did not end with his earthly life; and neither should yours. Out on the Hill of Ascension he willed to his disciples, the future of His eternal Kingdom, saying, "Go into all the world and preach the gospel to every creature." We are here today because we are recipients of that blessed bequest. His property consisted only of a seamless garment; but we all have so much more. With proper stewardship, we can extend the influence and service of our lives for the Kingdom. Through your will you can plan the quality of your own immortality. For what greater joy could there be in heaven, than to know that your planned resources enable His Kingdom to march on singing his praises and doing his work here on earth after you are gone.

United Methodist Women

On behalf of the 14,160 members in the 369 local units of United Methodist Women, I bring this report to the Annual Conference. This has been a year of enthusiasm and action for us. We have increased our giving to the program of the Women's Division to \$172,169.49. We have been in mission not only with our finances, but have been involved in our church and community. We are pleased with the number of women participating in leadership of the church and community. We are pleased that Mrs. Mary Adele Compton led the delegation to General Conference and that Mrs. Inez Chrisentery was elected a delegate. Mrs. Elizabeth McGowan, Miss Vernita Booker and Miss Donna Hendryx were elected to the Jurisdictional Conference delegation.

We recognize the leadership of Mrs. Elizabeth McGowan who has served on the Women's Division and UMCOR. Mrs. Inez Chrisentery has served as a member of the Jurisdiction Core Planning Group of UMW. Mrs. Dorothy Mae Taylor has served as State Representative in the Louisiana Legislature. It is great to have such talented United Methodist Women.

This year has been a very busy and productive one. "I Am Called — I Respond" was the theme of the Annual Meeting held at Trinity United Methodist Church in Ruston, September 12, 13, 1975, where 600 United Methodist Women responded with interest and enthusiasm. More than 50 local units shared their successes. Mrs. Joyce Sohl, member of the Women's Division, emphasized "I Am Called — I Respond" with an analysis of how the response of United Methodist Women is evidenced through giving and service.

The District Elected Leaders Workshop at Trinity United Methodist Church in Alexandria, October 25, 1975 was attended by more than 100 persons. "Locked in a Room With Open Doors" was the theme with the Rev. Ray Branton leading the afternoon session on "Action Planning." Each of the nine districts holds one or more training sessions for local leaders in their district.

A Finance Workshop was held for the conference executive committee at Hot Wells, December 5-7, 1975. This was led by a capable team from the Women's Division including Ms. Peggy Halsey, Mrs. Marlene Cummins and Mrs. Lois Kohler, our new regional staff member. The districts followed with a similar experience for local leaders.

The Mid-Year executive committee meeting at Hot Wells, February 20, 21, 1976, opened with sharing our experiences of the "Workbook of Living Prayer." Many committees met and goals and plans were set for 1976. The Conference UMW will publish a Newsletter on a trial basis and evaluate its effectiveness. A slide presentation is in the making with participation from local units.

Mrs. Nancy Carruth, our representative for the West Gulf Regional School of Christian Mission, shared plans for the June 14-18 school to be held at Mt. Sequoyah, Arkansas. This will be attended by the conference elected leaders.

The Conference School of Christian Mission, Centenary College, Shreveport, expects a record attendance. Under the capable leadership of our dean, Mrs. Nell Read, the school will hold two sessions, July 14-16, 16-18. We will be led by outstanding leaders in studies of "The Gospel of Mark," "The Nations of Southern Africa: Dilemma for Christians," and "People and Systems." Persons are encouraged to participate in both sessions and benefit from all of the studies. A new Sharing Room will be opened this year where local units, districts and conference officers may share materials that they feel may be of interest to others.

Under the Committee on Program (led by the conference vice-president Mrs. Clytie Perry) the Task Group on Annual Meeting Program (chaired by Mrs. Evelyn Wagnon) has begun plans for the Annual Meeting to be held at Henning Memorial United Methodist Church in Sulphur, September 17, 18, 1976. The theme will be "United Methodist Women in Action." Our guest will be Mrs. Yvonne Ferris, the past president of the South Central Jurisdiction UMW. Local units will participate dealing with issues such as aging, child advocacy, law of the sea and prison reform.

There have been many special opportunities for members of the conference UMW. Mrs. Clytie Perry, Mrs. MaryLou Blakeman and Mrs. Marion Eggerton attended the National Seminar in Norman, Oklahoma, in August. This was a mind bending experience and an open market of ideas.

Mrs. Winn Burks accompanied her husband (Marcus) and Dr. David Flude of UMCOR on a five week tour in August to the mission stations in Bangladesh and India. From this experience they have developed a program entitled "Hunger Hurts — The Church's Answer in Bangladesh and India."

The newly elected leaders of the conference UMW attended a training session in Cincinnati in January which was led by members of the Women's Division. This is an essential experience for new officers and broadens the concept of the women's work and the Global Ministries of the church.

Mrs. Lauretta Johnson (Mission Coordinator of Christian Social Involvement) attended a workshop on ERA in Washington, D.C. Mrs. Johnson, Mrs. E. Mae Calvin (Supportive Community Coordinator), Mrs. Lottie Palazzo, New Orleans, and Mrs. Beth Foster, Shreveport, attended a Legislative Training Event at the Oklahoma City Center for Christian Renewal in February. A Legislative Training Event will be held in Baton Rouge on May 19, 20, 1976. Many outstanding speakers will participate. The purpose is to motivate and enable women to develop tools to effect social change through the legislative process.

United Methodist Women are Alive in Mission as they seek to be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

VIII. Memoirs

ETIENNE BROUILLETTE

Etienne Brouillette was born on August 24, 1900; he died on January 28, 1976. He is survived by his wife, Jane Morgan Dyson Brouillette; two sons, Sims and Etienne, Jr.; five grandchildren and six great-grandchildren. Funeral services were held on January 29, 1976, in the Abbeville United Methodist Church; leading the services were Rev. Byrl J. Moreland, District Superintendent, Lake Charles District, and Rev. Kenneth McDowell, District Superintendent, Lafayette District. Interment was in Graceland Cemetery.

Bro. Brouillette was a teacher and a preacher. A lover of children and youth, a strong believer in the basics in public education, he served as a teacher in the Vermilion Parish Schools and as a principal of the Perry High School for twenty-four years. He felt called of God to enter the Christian ministry through the United Methodist Church, which he so deeply loved. As a lay pastor he served at Ebenezer, Crowley-Wesley, Indian Bayou, and Church Point. Every church he served loved him and his devoted wife and each church grew under his guidance and ministry.

He attended Northwestern University and the University of Southwest Louisiana. He received his Bachelor of Arts from the latter institution. He also attended the Lay Pastors' School at Southern Methodist University.

He was active in community affairs; he served as Chairman of the Board of the Salvation Army in Vermilion Parish; he was active in scouting; he was a Master Mason and served as chaplain of the Abbeville Lodge.

Bro. Brouillette will be sorely missed. Throughout his life and active work, far beyond his retirement, he will be fondly remembered and cherished. Pupils, teachers, parents, church members—young and old—loved him for what he stood for and for what he gave. For what he gave was what he knew he had received—grace!

Bro. Etienne Brouillette, like the Lord he loved and served, was a grace-giver!

HUBERT A. GIBBS

Hubert A. Gibbs was born in Goin, Tennessee on December 7, 1899. He was admitted on trial in the Methodist Church, South, in the North Texas Conference in 1926. He was received into full connection in the St. Louis Conference in 1929. He transferred to the Louisiana Annual Conference in May of 1940 and served Napoleon Avenue Church in New Orleans for two years. Other appointments included Istrouma in the Baton Rouge District, Superintendent of the Lake Charles District, Arcadia, Oak Park, DeQuincy, and Fairview-Sweetlake. He retired from this charge in 1965 and made Lake Charles his permanent home. He expired on December 13, 1975. Brother Gibbs is survived by his wife of five years, Mrs. Katherine Gibbs, one daughter, Mrs. Sarah Jo Spencer of Lake Charles, two brothers and four granddaughters.

Hubert Gibbs was a fine Pastor. He had a great capacity to care and to love those about him. This was made possible because he had experienced a deep love for Jesus Christ in his own heart. Hubert won the hearts and the confidence of people because he cared for them. I used to hear many fine reports of him while he served as a visiting Pastor at First Church, Lake Charles. He had no angle other than that of sharing what had been given to him: a deep and enriching experience of God's own love for him and his love for those about him. He was truly a Shepherd unto his flock. He cared for the shut-ins. He cared for those in hospitals. He cared for the depressed, the lonely, the sinful. He cared for young people.

In Proverbs 18:24, we read: "There are friends who pretend to be friends, but there is a friend who sticks closer than a brother" The Book of Proverbs speaks of two types of friends. The one is the person who pretends, and the other is the real thing. Hubert was the "real thing." Hubert Gibbs lived his three score years and ten. "Now there is laid up for him a crown of righteousness," which his Heavenly Father will give to him. Let those of us who are left behind go out and care and be concerned for those about us.

REV. CHARLES H. GREEN

*He loved the House of God; his dearest wish to be
A minister within her walls, in service full and free.
Beautifully he lived; we who well loved him know
Blessing with kindly hands our dead,
Softening death's cruel blow.
Beautifully he died — the temple floors he trod,
To pass to his reward, within the altar of his God.*

The Reverend Charles H. Green, age 80, of Boyce, Louisiana, died on March 5, 1976. He was born in Grant Parish, September 28, 1895, the son of the late Millie and Charles Green. Survivors include his widow, Mrs. Mary Magdalene Green, and many other relatives.

Rev. Green served for thirty-six years as an active Lay Pastor. He retired in 1968. He served the Union-Macedonia Charge in Boyce, Louisiana the last four years of his life.

BENJAMIN J. HAYNES

Occasionally, we come to know a warm and gentle spirit who is willing to walk with God in "the heat of the day" as well as in "the cool of the evening." Such a person was Benjamin Joshua Haynes.

Benny Haynes, as he was affectionately known, was born November 27, 1901 to the late Rev. and Mrs. S. M. Haynes of Cheneyville, Louisiana. He was called home by his heavenly Father on Sunday, December 14, 1975.

The Reverend Haynes was ordained and began his ministry in the early 1920's. He married Virginia Wallace June 8, 1923. They were faithful partners in Ministry throughout their married life. All of B.J.'s pastorates were in North Louisiana and included such churches as Round Grove, Providence, Daniels Chapel, and Jewella United Methodist Churches. Of these churches the Hayneses spent their longest pastorate at the Jewella charge where he retired in 1974.

The resident and pastor in the Mooretown community became endeared and greatly loved by all whose lives he touched. He was not only a prophetic messenger for God but a community leader. His life was an inspiration to many younger ministers, like me, whom he befriended.

Shortly following his retirement B. J. and Virginia returned to Saint James United Methodist Church which he had joined at an early age. There he served faithfully as a non-appointive Associate Pastor until his death. He is survived by his wife, 1 daughter, 5 grandchildren and 7 great-grandchildren.

We will long remember the friend of many talents: preacher, poet, musician, servant of God.

FALCON LUTHER HEARNE

Rev. Falcon Luther Hearne was born September 30, 1901 at Chatham, Louisiana, and died January 16, 1976 in Shreveport, Louisiana. On September 28, 1924, he was married to Selma Cox, and they had a long and enriching relationship. Selma died November 25, 1974.

Brother Hearne responded to God's call to preach when he was a young man. He was an effective minister for nearly fifty years. Even after his retirement he remained active in the Lord's work. He served the following appointments: Sunrise and Luna, Mt. Nebo and Bethel, Mt. Zion and Hollens Chapel, Kelly Charge, Urania and Pollock, Grayson, Eros, Antioch, Frantom Chapel, Luna, Olla, Claiborne in West Monroe, Curtis Park in Bossier City, Chatham, Frantom Chapel (RS), Concord (RS), and as an Associate at First Church, West Monroe (RS).

Brother Hearne loved to preach. God and His Kingdom were priorities in his life and he felt he was engaged in the greatest work in the world. He lived with gratitude believing his life had been blessed with a rich heritage, a host of friends and a Heavenly Father who provided abundantly for him. He was deeply sincere and gave his very best to meet the opportunities entrusted to him. Brother Hearne had a genuine love for people and shared with concern the joys and sorrows of those he knew.

Brother Hearne's strong faith enabled him to have a deep and abiding joy. A favorite chorus of his has in it the words: "Oh! say, but I'm glad, I'm glad, Oh! say, but I'm glad; Jesus has come and my cup's over run, Oh! say, but I'm glad."

The moment of death seemed to be a time of triumph for Brother Hearne. He believed that death would be the gateway to a larger life. Many years ago at his ordination he was asked the question, "Are you going on to perfection?" He answered "Yes." Across the years he moved in that direction and has now gone on to perfection, to a larger life, a house not made with hands and to the church triumphant.

Brother Hearne leaves behind inspiring memories, a challenging example and an influence that will continue to live and bear fruit for Christ.

ROBERT HILL HEARNE

On March 26, 1976 God called to the Heavenly Home, one of His most devoted, conscientious, consecrated, and humble servants, Rev. Robert Hill "Bob" Hearne. His transfer of membership was made from the church militant to the church triumphant as he lived — quietly and serenely. To those who knew him casually, Brother Bob was an ordinary preacher, but to those who knew him well, he was extraordinary. I thought of him as my pastor and friend. He gave me, as well as many other young and experienced preachers, a chance.

Bro. Hearne, son of Rev. Elijah Oliver and Margaret Hearne, was born December 15, 1897 at Chatham, Louisiana. He grew up in a Methodist parsonage, one of fourteen children. His early schooling was meager, but by extraordinary effort and listening to the voice of God, was able to minister well.

At the age of 19, he married Velma Virginia Cox. To this union was born two daughters, Marjorie and Yvonne.

In 1929, he was ordained a Minister in the former Methodist Protestant Church. He retired in 1950 due to ill health but continued to serve as pastor of several churches until 1969. He served sixteen churches: Mt. Pleasant, Zoar, Brooklyn, Concord, Walnut Grove, Pine Grove, Wilhite, Claiborne, Athens, Bonita, Simsboro, Hilly, Antioch, Salem, Bethel, Mt. Nebo. At the time of his death he was Minister Emeritus at the Southside United Methodist Church, Monroe.

As we look at the ministry of Bro. Bob and Mrs. Hearne, affectionately known as "Miss Ginny," we see a reflection of the tender and loving ministry of the Holy Spirit; the compassion and concern of our Lord and Savior Jesus Christ; and the unending love of God, the Father.

We thank our Heavenly Father for Robert "Bob" Hearne. He blessed us in so many ways. To be separated from him here breaks our hearts, but we have the assurance that we may meet him once again in that holy place where he has gone.

ROBERT H. JAMIESON

Robert H. Jamieson was born in New Orleans, La., in a Methodist parsonage. His father was a member of the Louisiana Annual Conference. The Jamiesons moved to California when he was age six, but he returned to Louisiana in 1942. Bob was converted at the age of six when he knew, "God loved him and Christ died for his sins." At an early age, he was called by God to preach. He received his local preacher's license in Los Angeles, California, at age fifteen. His formal training was received from the University of California at Berkeley, Asbury College, Wilmore, Kentucky, Perkins School of Theology, Southern Methodist University, and St. Paul Theological Seminary, Kansas City.

It is not surprising that Bob Jamieson died in an airplane because all his adult years he had been an ardent pilot. He began flying with the California Forest Patrol. During World War II he served his country when the Civil Air Patrol was activated to fly submarine patrol over the Gulf of Mexico. When death came, he was doing two of his favorite things: preaching a revival at Maplewood Church and flying!

Bob was a builder. He dreamed dreams about what should be and then followed God in leading the people to fulfill these dreams. At least three congregations in the New Orleans District can be traced to his vision of the need for a United Methodist Church in these particular communities: St. James, Metairie and Kenner.

Bob, in good Methodist tradition, found it difficult to settle for one church. Like the circuit rider, if he was appointed to only one congregation, it was not long before he found other preaching places where he eagerly and gladly shared the "unsearchable riches of the gospel." His appointments in the Louisiana Annual Conference included Slaughter, Denham Springs, Associate at First Church, Baton Rouge, Associate at Carrollton Avenue and Director of the Wesley Foundation at Tulane, St. Paul's, St. Mark's, Metairie, Kenner, St. James, First Church, DeRidder, Pine Grove, Henning Memorial, Sulphur, La., Munholland Memorial, and Louisiana Conference Area Provost.

Bob's memorial service seemed like a session of our annual conference because of the high esteem of his ministerial colleagues and the deep devotion of the laity. The service was held in the sanctuary of First Church, New Orleans, with Bishop Finis A. Crutchfield, Dr. Alfred L. Norris, Rev. Earl Cantrell of Vann, Texas, and the Reverend George W. Ross officiating. Interment was in Ponchatoula, Louisiana. Bishop Crutchfield, in paying tribute to Bob, mentioned his intrepid spirit, his great sense of humor, and his outstanding ability as a preacher of the gospel.

As we concluded our talk about this memoir, Norma said, "George, I don't know anything else to tell you. Bob was a man's man. He was a gentle man. He was a loving and understanding man. He was God's man." What more could be said?

GEORGE W. POMEROY

Many years ago a man named Pierce wrote a book entitled, "Giant Against the Sky." It was the life story of one of the Bishops of the Methodist Church. That title can be aptly applied to the life and ministry of George W. Pomeroy. Certainly as one views the skyline of the Louisiana Annual Conference for the past forty years, though not tall in a physical sense, he will see "Billy" standing tall against the sky with his lengthening shadow stretching out across the years as it is reflected in the love of his Heavenly Father. He was a spiritual giant; a masterful preacher; a lover of people; and a trusted friend to all. His radiant smile and buoyant spirit will long light the lives of all who knew him.

He was born in Ullin, Illinois, January 4, 1905. He came at an early age with his parents to Bastrop, Louisiana. He died at his home in Lake Charles, Louisiana, on April 22, 1976. He was a graduate of Centenary College and Yale Divinity School, where he formed a lifelong friendship with Paul Galloway, who became Bishop Paul Galloway. Among his leading pastorates were First Church Monroe and First Church Lake Charles. During his ministry he served as District Superintendent of the Ruston and New Orleans Districts; and at the time of the merger he established the Natchitoches District from which he retired in 1972. He was admitted on trial to the Louisiana Conference in 1929 and was ordained elder in 1933.

His record of service to the Louisiana Conference shows forty-three fruitful years. For many years he served on the Board of the Methodist Hospital Home and the Methodist Children's Home at Ruston. He was a life member of the Board of Trustees of Centenary College from which he received an honorary doctor's degree.

He is survived by his wife, Lillie Mae, and his daughter, Pamela, both of the home.

THOMAS R. WALLACE, JR.

Rev. Thomas Raymond Wallace Jr. was born in Baton Rouge, La. The son of Mrs. Evanga Doke Wallace and the late Rev. Thomas R. Wallace Sr.

At an early age, he confessed Christ as his personal saviour.

In 1956, Christ called him into the Army of the Ministers to preach God's Word. He served several churches in Louisiana, including Augie St. Matthews and Mt. Zion. He left a mark that shall always be remembered.

He always smiled and made use of the talents that he possessed. He believed that if you gave the best of service Christ will understand and say "Well Done."

Brother Wallace had many other qualities that made him an effective Minister. He was humble and was deeply concerned about his family and church.

This conference will miss the inspiration that he gave to it. He made use of his talents, he did not bury them and surely he will hear the Master say "Well Done."

He leaves to mourn his beloved wife; Maude McHenry Wallace, a mother, Mrs. Evanga Doke Wallace, five daughters; Ruby Marie, Raymonda, Barbara, Betty Jean, and Juanita Wallace, a sister, Mrs. Lillian Cador, a host of nieces and nephews, three brothers-in-law, two sisters-in-law, and other relatives and friends. Rev. Wallace died November 3, 1975 at 5:10 a.m.

*My times are in thy hands
I'll always trust in Thee and
After Death at thy right hand
I shall forever be.*

MRS. ALARIC E. (CHARLIE) BARRETT

Mrs. Alaric E. Barrett was born in Parham, Louisiana. She married Rev. Barrett in 1923. There were two children by her previous marriage; namely, L.E. Massey and Mrs. A.A. Carruth, Sr. She and Rev. Barrett had three children, L.E., Marjorie Miller and Jeff.

In Louisiana the Barretts served at Hornbeck, Greensburg and Pearl River. After Rev. Barrett's death in 1944, she has lived in Baton Rouge and Wilson. Mrs. Barrett was in failing health for sixteen months before her death on April 23, 1976.

MRS. J. HENRY (HAZEL) BOWDON, SR.

Hazel McGuffey Bowdon was born in East Baton Rouge Parish on June 9, 1898. Her father was Dr. J. H. McGuffey and her mother was Mary Eliza Young McGuffey. Since her father was a country doctor she had opportunity to travel in her youth. She attended school at Cheneyville, Thibodeaux and graduated from the Baton Rouge High School at the head of her class. Mrs. Bowdon attended Silliman College at Clinton, Louisiana, a junior college sponsored by the Presbyterian Church. She taught in the Baton Rouge School system for a number of years.

Hazel Bowdon met her future husband while teaching at the Istrouma High School, where he was principal. She married the Reverend J. Henry Bowdon, Sr. on November 24, 1925. The Bowdons were able to celebrate fifty years of life together. Hazel Bowdon graced every parsonage she entered and beautified every life she contacted. Her quiet courage, patience, love and concern endeared her to all the people she and her husband served for the forty-two years they labored in the Louisiana Conference and the eight years of their retirement in

Lake Charles. A prayer which typifies the life of Hazel Bowdon would be something like this: "God, make me the woman I want to be, an ever worthy reflection of Thee." God answered this prayer in the life of Hazel Bowdon.

A Memorial Service was held in the First United Methodist Church of Lake Charles. Rev. George Ross, Rev. Henry Blount, Jr. and Rev. Ted Standly officiated.

Mrs. Bowdon is survived by her husband; two children, Rev. J. Henry Bowdon, Jr. and Mrs. Louise Bowdon Mayo; six grandchildren and a great host of friends.

MRS. ROBERT A. (MAXIE) BOZEMAN

In the picturesque Pleasant Hill Church in Sabine Parish on Friday, May 21, 1976, honor and tribute was paid to Maxie Herrington Bozeman, widow of Reverend Robert A. Bozeman. Rev. and Mrs. Bozeman were serving the First United Methodist Church at Ringgold when he was killed in an automobile accident on March 13, 1940. A great peace surrounded all who were present as we committed her body to her final resting place in the pastoral surroundings of the Spring Ridge Cemetery.

Having become a widow with four small children at a very early age, Mrs. Bozeman knew the rigours of hard work, sacrifice and self-denial. Yet she imparted to her children a faith and quality of life that caused them to "rise up and call her blessed." Her son, Dr. James R. Bozeman, was a member of the Administrative Board of Asbury Church in Lafayette, where he distinguished himself as a cardiovascular surgeon; her daughter, Mary Raines, has a theatre in New York City as well as being an actress in her own right; her daughter, Martha, teaches in Jefferson Parish and is an elementary teacher at First Church, New Orleans; and the son, Robert R., lives near their home in Sabine Parish and works in Social Security there.

Maxie Herrington Bozeman emerged from a Methodist parsonage with four children following her husband's untimely and tragic death. With little but faith and determination, she completed alone what she and her husband had begun. We praise God for her dignity, life and faith.

MRS. JAMES T. (LULA) GARRETT

As quietly as she lived and moved among her family, Mrs. Garrett made the transition to her heavenly home on March 29, after several months of illness.

Mrs. Garrett was born in Eros, Louisiana, April 22, 1894 where she lived and attended school. Later, the family moved to the Chatham community, where she continued her formal education, attending Dalley School, out of Chatham.

In 1912, she was married to Mr. Grady Hearne with whom she lived until his death. There were three children born to this union. They are Mrs. Mildred Murphy, Houston, Texas, Mr. Drew Hearne, Tyler, Texas, and Mrs. Doris Brown, Shreveport, Louisiana.

In sixteen of those intervening years, Rev. J. T. Garrett was pastor of the Chatham Charge and pastor of the Grady Hearne family. During those years, illness struck Rev. Garrett's home, taking his wife, as she slept, on the night of February 15, 1954.

In 1955, Rev. Garrett and Mrs. Lula Hearne united in a marriage that resulted in supportive church and community activities for more than twenty beautiful years of relationship.

Characterizing the life of Mrs. Garrett were at least three important things: Love for people reflected by her sense of concern and sharing; love for the Church, beautifully portrayed by her faithful attendance and everyday interest; and love for her pastor. Being a pastor's wife may have influenced this love some, but her concern, encouragement and support were easily sensed by anyone serving as her pastor.

Eighty-two years may have seemed long for some, but for Mrs. Garrett there was high anticipation that her body would overcome illness with health restored and strength regained

so that she could get on with life in useful ways. One with such a spirit we hold in loving memory:

*O happy, happy soul! In ecstasies of praise,
Long as eternal ages roll, Thou seest thy Savior's face,
Redeemed from earth and pain, Ah! when shall we ascend,
And all in Jesus' presence reign — Through ages without end?*

—William B. Shaw

MRS. E. C. (HILDA) GUNN

Mrs. Hilda Conerly Gunn was born into a Methodist family in Gloster, Miss. on January 21, 1891, to W. J. Conerly, Sr., and Olive Simmons Conerly.

When The Rev. Elmer C. Gunn, a young Methodist preacher, was assigned to the Methodist church at Gloster, he met Hilda Conerly, and they were united in marriage April 29, 1913.

Rev. Gunn served for forty-three years in the ministry. Through these years, his wife remained faithful and loyal at his side. Her devotion was both to her husband and to the churches and ministry in which he was involved.

To this union was born one child, Nellie Mae Gunn Parkman. She was born on April 25, 1921 and died on July 31, 1952.

Mrs. Gunn was born, married, and died in Gloster and is buried in Roseland Cemetery there, with her husband and daughter. She died on Nov. 3, 1975 at the age of 84. She is remembered in love by all who knew her.

MRS. GEORGE C. (CORINE B.) HAYWARD

For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith.

Henceforth, there is laid up for me a crown of righteousness, which the Lord, the righteous judge shall give me at that day.

II Timothy 4:6-8

Mrs. Corine B. Hayward was born May 28, 1890 at Glencoe, Louisiana. In 1907 she married Rev. George C. Hayward, they were the parents of eight (8) children. Four are now deceased.

Mrs. Hayward was a devoted wife and mother and remained active throughout her husband's ministry in the Louisiana Conference from 1915-1953.

Survivors are three daughters, one son, three grandchildren and six great-grandchildren.

—Moses T. Jackson, Sr.

MRS. A. R. (ELEANOR) HOFFPAUIR

Mrs. Eleanor Worley Hoffpaur was married to Rev. A. R. Hoffpaur in Slidell, Louisiana in 1919. They had two children, Dan Wesley and Jewell Lee. She served with her husband in a number of pastorates until 1947, when he was killed in a train accident in Winnsboro, while serving as pastor of the Gilbert-Boeuf Prairie Charge.

—Ruth Holley

MRS. H. M. (MABEL) LAW

Mrs. Mabel Law, wife of the late Rev. H. M. Law, died on August 22, 1975, in San Antonio, Texas, at the age of 89 years. The Rev. and Mrs. Law were parents of four children, three of whom survive them: John of Jacksonville, Florida, Mrs. Mary Evans of San Antonio, Texas, and a daughter, John's twin, who lives in New Mexico.

During the early years of marriage the Rev. and Mrs. Law lived in New Mexico, where they served several churches in that area. They moved to Texas, serving a number of charges in that state, then moving to Dallas, where, along with his ministerial duties, the Rev. Law also served on the faculty of Southern Methodist University. During their last years of ministry, the Laws lived in Louisiana, and Oil City was their last charge. After her

husband's death, Mrs. Law lived in Oil City until she moved to San Antonio to be near her daughter, where she spent the last two years of her life.

Mrs. Law was gracious and kind. Her soft voice and quiet manner, her deep Christian faith, her devotion to her church and her family, bespoke a life lived for others, and for her God. She was a true helpmate to her husband. Her unselfish, outgoing nature, her caring heart, drew people to her. She was an understanding, compassionate friend. Through adversity, she was strong. She was generous, sympathetic, and ready to work in whatever capacity she was needed. Her love of music, her appreciation of simple things, her gentle acceptance of things she could not change, made her an inspiration of quiet courage. Mrs. Law has left an influence that enriches those who knew her and an example that challenges and inspires. Memorial services were held in the Cochran Chapel in Dallas. Burial was in the Merril Cemetery of that city.

—Mrs. Robert Kemper

MRS. ALBERT S. (HATTIE) LUTZ

Mrs. Hattie Simpson Lutz lived almost a century, born September 1, 1880, at the Evergreen Plantation, near Greenwood, Louisiana, and passing away July 24, 1975, at Haynesville, Louisiana.

Mrs. Lutz was one of five children born to DeOrsay Alfred Simpson and Mary Eleanor Jackson Simpson. Methodism came early into the life of Mrs. Lutz; she recalls how, upon many occasions, Methodist ministers would stop by the Simpson home where she and four other children came to know country preachers and, as a young girl, how she was fettered to Methodist "conviction." She could not have known then with what compelling force this childhood faith would write the music of her life's work and service in Methodism.

She was educated in the Kate Nelson Seminary in Shreveport, Louisiana, and in Mansfield College. On June 6, 1906, Hattie Simpson married Rev. Albert S. Lutz, a Methodist minister of Louisiana. Suddenly, the random, scattered treasures of memory assumed a magic shape and the legacy of Mother and Father and those happy Sunday dinners with country preachers about the table became the harbingers of sacred calling. For thirty-four and one half years she would pass gently through the lives of thousands as she and her preacher husband bore the wonderment of forgiveness and love to common people. She served faithfully with Rev. Lutz Churches in New Orleans, Homer, New Iberia, West Monroe, Minden and DeRidder, and as the District Superintendent's wife of the Monroe, Baton Rouge, and Alexandria Districts.

As ministers' wives must, so did she, make her encounter with human beings that of her daily coming and going even the trifles of routine were graced with the divine. Of the laughter and tears that made the miracle of marriage she became known all across the state. She grew as many flowers in her soul as she grew in the front yards of parsonages. She never wasted her sweetness in the desert air. All seemed to point her to Heaven and as we bade her farewell on July 24, 1975, with mere words far transcended by her service, we did so with great expectancy: that the same little girl sits once again around our Lord's table with many a Methodist minister of yesterday.

—L. R. Bevill

MRS. SAMUEL J. (MARY) THOMAS

Mrs. Mary Liza Thomas was born to Johnny and Fannie Martin in Baton Rouge on April 30, 1888. She became the wife of the late Reverend S. J. Thomas and faithfully served with him throughout his ministry for the Lord. Following Reverend Thomas' death, she continued to serve in the St. Peter United Methodist Church, Jeanerette, La.

At the age of 87, Mrs. Thomas departed this life in New Orleans on August 24, 1975, and is buried in the St. Paul Church Cemetery, New Iberia, La.

—Kenneth G. McDowell

MRS. LELAND D. (MARTHA) WADE

Dr. Fred Gealy in a chapel meditation one Good Friday in Perkins Chapel said: "How can

one stand in the presence of Jesus' death and say, 'It is finished!'' Our Easter faith gives us the hope and confidence that God does have the final and victorious say; that death does not have the final word to say about the abundant and eternal life in which we can share! Hallelujah!

That victory was celebrated on March 27, 1976, when a community gathered in the Lakeview United Methodist Church in Minden; the service was occasioned by the death of Martha Kelley Wade, who died on March 25, after a courageous battle with an insidious cancer. Rev. Ed Thomas and Rev. Lee Kneipp led in the worship celebration, which had been carefully and thoughtfully planned by Martha; interment was in Forest Park Cemetery, Shreveport. Among the survivors are: Leland Wade, husband; Lyle Derek, son; Heather Alexis, daughter; her mother, Lillian King Kelley; a sister, Jill Riel; a brother, M. B. Kelley, Jr.

Martha Kelley was born July 29, 1941, in Bossier City; she grew up to graduate from West Jefferson High School in Metairie and then attended Centenary College. On June 9, 1962, she joined a new life and ministry as she married Leland DeWitt Wade. Their ministry was in the Indiana Conference, 1963-68; in 1968 they came to the Louisiana Annual Conference and served the Raymond-Iota Charge and then the Lakeview, Minden-McIntyre Charge. Their marriage was blessed by two children: a son, Lyle Derek, 12; and a daughter, Heather Alexis, 8.

We have learned so much about life, the Church, faith, love, hope, and the possibility of a Christian's accepting and appropriating her own death in a kind of way that has been contagious, up-lifting and inspiring. Martha Kelly Wade, by the grace and strength of God, did that for us!

MRS. M. R. (LUCY) WALKER

A full life was consummated with the demise of Mrs. Lucy D. Walker at the Lafon Home on April 16, 1976 (Good Friday) at 12:30 P.M.

A noble character with indomitable courage, she was born in Clarksville, Tennessee and came to New Orleans 55 years ago. She married the late Rev. Manasseh Reese Walker, while he was pastor of Grace United Methodist Church.

While at Grace Church, this Christian woman, with religious fervor and an unalterable faith, labored with her husband in the liquidation of the church mortgage. When he became Superintendent of the New Orleans District, she was elected President of the District's Woman's Home Missionary Society. In later years, she became a charter member of the District Woman's Society of Christian Service and served as the first District President.

Although this beautiful red rose has been plucked from the garden of life, the fragrance of her good deeds will remain impregnable against years to come in the hearts and memory of her cherished survivors: a devoted daughter, Mrs. Ara M. Tooley Parker, Los Angeles, Cal.; a son, Rev. Samuel Weaver Walker, Sr., Pastor Mt. Zion, N. O.; a son-in-law, Mr. James Parker; a daughter-in-law, Mrs. Gwendolyn L. Walker; a niece, Mrs. Goldie Taylor, St. Louis, Missouri; five grandchildren: Marilyn, Gregory Parker and Kenneth, Robert and Samuel R. Walker, Jr.

We are here to express our faith in God; our love for Lucy D. Walker, and our hope in the future that she helped to build.
